We and our third-party service providers, which include ad networks, use cookies, web beacons, and other tracking technologies to collect information about your use of our Website and Services, such as your browser type, your ISP or operating system, your domain name, your access time, the URL of the previous website you visited, your page views, your IP address, and the type of device that you use.

We can also track how frequently you visit our Website and use our Services. We use this information (including the information collected by our third-party service providers) for Website analytics (including to determine which sections or features of our Website are used most frequently, and what our

users like/do not like, to assist us in determining relevant advertising both on and off our Website), to evaluate the success of our advertising campaigns, and as otherwise described in this policy. Currently, we do not honor browser requests not to be tracked.

We may obtain your device ID, which is sent to SHEBA.XYZ's servers and used in fraud prevention efforts.

“Cookies” are defined as small text files stored on a user's device by a website they visit. These files contain data such as user preferences, login information, or browsing activity, and are used to enhance the website experience by remembering the user's actions and settings across visits. Cookies can also be employed for tracking purposes, enabling websites to collect information about user behavior for analytics or targeted advertising.

We and our third-party service providers collect information from you by using cookies. When you visit the Website, we may send one or more cookies (i.e., a small text file containing a string of alphanumeric characters) to your computer that identifies your browser.

Some of these cookies may be connected to third-party companies or websites. The terms of use of such cookies are governed by this Policy and the privacy policy of the relevant third-party company or website. For example, Google measures the performance of advertisements by placing cookies on your computer when you click on ads. If you visit the Website when you have such cookies on your computer, we

and Google will be able to tell that you saw the ad delivered by Google. The terms of use of these cookies are governed by this Policy and Google's Privacy Policy.

Disabling Cookies: You can choose to accept or decline cookies. Most web browsers automatically accept cookies, but you can usually modify your browser settings to decline cookies if you prefer. If you disable cookies you may be prevented from taking full advantage of the Website because it may not function properly if the ability to accept cookies is disabled.

Clear GIFs, pixel tags and other technologies. Clear GIFs are tiny graphics with a unique identifier, similar in function to cookies. In contrast to cookies, which are stored on your computer's hard drive, clear GIFs are embedded invisibly on web pages. We may use clear GIFs (a.k.a. web beacons, web bugs or pixel tags), in connection with our Website to, among other things, track the activities of Website visitors, help us manage content, and compile statistics about Website usage. We and our third-party service providers also use clear GIFs in HTML emails to our consumers, to help us track email response rates, identify when our emails are viewed, and track whether our emails are forwarded.

At our sole discretion, SHEBA.XYZ may offer any of the following free services on the Website, which you may select to use or receive at your option. Certain of the following services may require you to provide additional personal information as detailed below::

We may offer a free electronic newsletter to users. We will gather the email addresses of users who sign up for SHEBA.XYZ for the newsletter mailing list. Users may remove themselves from this mailing list by opting out of receiving newsletters during the registration process, by following the link provided in each newsletter that points users to a subscription management page where the user can

unsubscribe from receiving newsletters, or by changing their preferences in their Profile Settings page.

Our Website users can voluntarily choose to electronically forward a link, page, or document to someone else by clicking "send to a friend." To do so, the user must provide his or her email address, as well as the email address of the recipient. The user's email address is used only in the case of transmission errors and, of course, to let the recipient know who sent the email. The information is not used for any other purpose.

We may offer interactive polls to users so they can easily share their opinions with other users and see what our audience thinks about important issues, Services, and/or the Website. Opinions or other responses to polls are aggregated and are not identifiable to any particular user. We may use a system to "tag" users after they have voted, so they can vote only once on a particular question. This tag is not correlated with information about individual users.

We may conduct user surveys from time to time to better target our content to our Website users. We will not share individual responses from these surveys with any unassociated third party. We will share aggregate data with third-party service providers, partners, and other third parties. We also will post aggregate data containing survey responses on our Website; that data may be viewed and downloaded by other users of our Website.

We employ procedural and technological security measures, which are reasonably designed to help protect your personal information from unauthorized access or disclosure. SHEBA.XYZ may use encryption, passwords, and physical security measures to help protect your personal information against

unauthorized

access and disclosure. No security measures, however, are 100% complete. Therefore, we do not promise

and cannot guarantee, and thus you should not expect, that your personal information or private communications will not be collected and used by others. You should take steps to protect against unauthorized access to your password, phone, and computer by, among other things, signing off after using a shared computer, choosing a robust password that nobody else knows or can easily guess, and keeping your log-in and password private. SHEBA.XYZ is not responsible for the unauthorized use of your

information for any lost, stolen, or compromised passwords, or for any activity on your Account via unauthorized password activity.

We may share the information that we collect about you, including your personal information, as follows:

We may disclose your information including Personal Information if: (i) SHEBA.XYZ reasonably believes that disclosure is necessary in order to comply with a legal process (such as a court order, search warrant, etc.) or other legal requirements of any governmental authority, (ii) disclosure would potentially mitigate our liability in an actual or potential lawsuit, (iii) reasonably necessary to enforce this Privacy Policy, our Terms of Use etc. (iv) disclosure is intended to help investigate or prevent unauthorized transactions or other illegal activities, or (v) necessary or appropriate to protect our rights or property, or the rights or property of any person or entity.

We may contract with various third parties for the provision and maintenance of the Website, Services and our business operations, and SHEBA.XYZ may need to share your personal information and data generated by cookies and aggregate information (collectively, "information") with these vendors and service agencies. For example, we may provide your information to a credit card processing company

to

process your payment. The vendors and service agencies will not receive any right to use your personal

information beyond what is necessary to perform its obligations to provide the Services to you. If you complete a survey, we also may share your information with the survey provider; if we offer a survey in

conjunction with another entity, we also will disclose the results to that entity.

Your request for services may be shared with third-party websites with whom we have a contractual

relationship in order to provide your request with maximum exposure. The post on the third-party website

will include the details of your request, including your location, and other contact details. Interested bidders, however, will be able to click on your request on such third-party site, and will be directed to our Website where they will have access to your contact details (Partial or complete), as would any other service provider on our Website interested in bidding on your request.

If you are a Service Professional, the information that you post (other than your payment information)

is available to other users of our Website and our Services. Comments that users post to our Website also will be available to other visitors to our Website (see our discussion of User Generated Content below). In addition, we will post the results (in aggregate form) of surveys on our Website. If you are a consumer, your name, and location, as well as the details of your request, are available to all visitors to our Website. Bidding professionals also will be permitted to see the consumer's full name, telephone number, email address, and location

We will disclose your information, including, without limitation, your name, city, state, telephone

number, email address, user ID history, quoting and listing history, and fraud complaints, to law enforcement or other government officials if we are required to do so by law, regulation or other government authority or otherwise in cooperation with an investigation of a governmental authority.

In the event that SHEBA.XYZ undergoes a change in control, including, without limitation, a merger or sale of all or substantially all of SHEBA.XYZ's assets to which this Website relates or other corporate reorganization in which SHEBA.XYZ participates and is thus merged with or acquired by a third-party

entity (a "Successor"), SHEBA.XYZ hereby reserves the right to transfer the information we have collected from the users of the Website and/or Services to such Successor under the same terms and conditions, as applicable, without the need for further documentation.

In addition, in the event of SHEBA.XYZ's bankruptcy, reorganization, receivership, or assignment for the benefit of creditors, or the application of laws or equitable principles affecting creditors' rights generally, any such transfer of information to non-affiliated third parties shall be conducted in accordance with the same terms and conditions, as applicable, to ensure the continued protection of users' data.

We may share your personal information with other Registered Users to whom you explicitly ask us to send your information or if you explicitly consent to such disclosure upon receipt of a specific Service. For instance, when you contract for a specific Service with another Registered User, SHEBA.XYZ

will send that Registered User a notice that includes the personal information that you have chosen to allow SHEBA.XYZ to reveal to users with whom you contract.

The Website may contain links to other websites or resources over which SHEBA.XYZ does not have any control. Such links do not constitute an endorsement by SHEBA.XYZ of those external websites.

You acknowledge that SHEBA.XYZ is providing these links to you only as a convenience and further agrees that

SHEBA.XYZ is not responsible for the content of such external websites. We are not responsible for the

protection and privacy of any information which you provide while visiting such external websites and

such sites are not governed by this Policy. Your use of any external website is subject to the terms of use and privacy policy located on the link to the external website.

You may choose to restrict the collection or use of your personal information in the following ways:

You can review, correct, and delete your personal information by logging into the Website and navigating to your preferences page in "Edit Profile." You must promptly update your personal information if it changes or is inaccurate. Typically, we will not manually alter your personal information because it is very difficult to verify your identity remotely. Nonetheless, upon your request, we will close your Account and remove your personal information from view as soon as reasonably possible based on your Account activity and in accordance with applicable law. We do retain information

from closed Accounts in order to comply with the law, prevent fraud, collect any fees owed, resolve disputes, troubleshoot problems, assist with any investigations of any Registered User, enforce our Terms of Use, and take any other actions otherwise permitted by law that we deem necessary in our sole

and absolute discretion. You should understand, however, that once you publicly post a Request, Offer,

Want Feedback, or any other information onto the Website, you may not be able to change or remove it.

Once we have deleted or removed your Account, you agree that SHEBA.XYZ shall not be responsible for any

personal information that was not included within your deleted and/or removed Account that remains on

the Website.

We may send periodic promotional or informational emails to you. You may opt out of such communications

by following the opt-out instructions contained in the email. Please note that it may take up to 10

business days for us to process opt-out requests. If you opt out of receiving emails about

recommendations or other information we think may interest you, we may still send you emails about your

Account or any Services you have requested or received from us.

We participate in third-party ad networks that may display advertisements on other websites based on

your visits to our Site as well as other websites. This enables us and these third parties to target

advertisements by displaying ads for products and services in which you might be interested.

Third-party

ad network providers, advertisers, sponsors, and/or traffic measurement services may use cookies,

JavaScript, web beacons (including clear GIFs), Flash LSOs, and other technologies to measure the

effectiveness of their ads and to personalize advertising content to you. These third-party cookies and

other technologies are governed by each third party's specific privacy policy, and not by

SHEBA.XYZ's

Policy. We may provide these third-party advertisers with information about your usage of our Site and our services, as well as aggregate or non-personally identifiable information about visitors to our Site and users of our service.

As a Registered User of the Website, you will select a Full Name during the registration process. All of your activities on the Website will be traceable to your Full Name. Certain other people, including other Registered Users with whom you have transacted business via the Website, can see a large part of your activity on the Website. If you book a service with a Registered User, cancel a scheduled service with a Registered User, receive an offer on your posted service from a Registered User, or have posted a service, SHEBA.XYZ may send a notice to you or the appropriate Registered User that includes your Full Name. Thus, if you associate your real name with your Full Name, the people to whom you have revealed your name may be able to personally identify your Website activities.

The Website facilitates your sharing of personal information with others in order to negotiate, provide, and use the Services. Super useful app. Great initiative but the UI should be more modern and clean to eyes. It looks congested with poor UI from 2015. Other than that this app is so useful.

A super helpful platform which takes care of all my service needs - from cleaning to repairing to car rental. Even I can buy fresh milk from here. App works just fine. Service providers can be a bit more professional but these will improve over time, I am hopeful. Best wishes - we need a platform like this in this super busy time.

While this app provides you comfort of finding many necessary services but it also collects data of your activities even if you don't click on submit. On two occasions I got call from their support team saying I have looked into certain services and whether I want them or not. What data this app collects from you and your phone no way to find it. Use the app at your risk as I find it a major privacy and security threat.
