To make payment easy we provide Credit Card & Debit Card payment options.

PODS pricing is based upon delivery charges and storage costs. Payment is required prior to delivery of your PODS container, then you will be invoiced monthly.

PODS storage rent is due on the day the container is delivered and continues on a monthly billing cycle thereafter until you are finished using the container.

For more information about payment options please visit our FAQ page and click the Payment tab.

PODS accepts VISA and MasterCard. Our Agents will contact you the day prior to delivery to arrange your credit card payment over the phone. We do not accept AmericanExpress or Diners Club credit cards.

RENOVATING | SELLING | TRAVELLING | INSURANCE | STAGING | BUILDING | MOVING | DECEASED ESTATE

Whether it's interstate or down the road, moving house throws everything up in the air. From arranging removalists to getting everything packed, it's understandable that unforeseen problems might seem inevitable.

So, if the lease is coming up on your current rental property or you find yourself moving into a new home, you need to form a plan. And once you've found a new place, you need to consider how you're going to get your belongings out from the old and into the new.

With PODS, you can rest assured that the ground work is done for you. We'll deliver one of our purpose built storage containers to your door and leave it with you until you're ready to make the move. This enables you to pack on your own terms, without the pressure of a delivery team rushing you or racking up the charges on an hourly rate.

You'll be able to take the packing process one step at a time, ensuring your items are fully accessible and stored in the order you'll need them.

Once you're ready, all you have to do is let us know and our team will arrange a convenient time to move your belongings to your new home. If you'd like us to hold onto them for a while, that's not a problem, either. Whether it's for a few weeks or a couple of months, we'll keep your items safe and secure at one of our secure Storage Centres.

Moving with PODS couldn't be simpler. Get from A to B in your own time and on your own terms – book one of our 3 sizes of storage containers today.

Matt and Amy decided to move interstate when Amy was offered the job of her dreams. In their new home city, they initially rented a studio, month-to-month, until they found their new permanent home.

Congratulations ... you're having a baby! So much to celebrate and so much to think about. Do you need to sell your home and move to a bigger home? Do you want to move closer to family for some extra support? Do you need a new car to fit your growing family? Exciting times

Planning your next move? Moving containers offer a flexible and affordable alternative to the traditional removalist service. Moving containers give you the time to pack at your own pace and to your own standards. You can also take advantage of long and short-term storage if its needed. Lets have a look at how using moving [...]

It happens all the time, the house sells and the new buyer wants in immediately. While on one hand it's obviously a big relief not to have to worry about selling your old house anymore, there's plenty left to do. That's because selling your home is, of course, just part of the equation. It's now [...]

Are you thinking of selling your home? Downsizing? Or even up-sizing? When you're preparing your home for sale, there is so much to do! Decluttering should be one of the top items on your 'to do' list. The better you present your home, the greater the chance you may have of a quick and profitable [...]

Zuzana and her husband recently arranged for their son to move up from Brisbane to Melbourne. They have moved with PODS in the past, so it was an easy decision for them to have PODS help with their son's interstate move.

Every person has their own way of tidying their home. They also have varied allocated time for decluttering which could affect how the result would look like, the less time you have for the task then the least you can clean up. This should not actually be what people should be worried about. They can [...]

1800 467 637

PODS containers are moved via our patented PODZILLA™ hydraulic lift system. This amazing detached delivery system allows placement of containers in tough-to-reach and hard-to-fit locations that roll-off systems can't match.

With PODZILLA, loaded containers can be easily repositioned, to a different location at a job or project site – or moved to the next job. PODZILLA keeps the container level to minimise shifting of contents during delivery and transport.

The PODZILLA lift system is mounted onto a local PODS delivery truck that can carry any size PODS container, and is operated by local PODS drivers who are specially trained to operate the PODZILLA system and protect the contents of your PODS containers.

With PODZILLA we can get our PODS containers into some pretty tricky places, but we do have some minimum space requirements for placement.

PODS require a minimum area of 12m (length) x 3.8m (width) x 4.6m (height) to place a Container.

Other restrictions may also prevent Container placement including but not limited to

Placement of all Containers on site is at the discretion of PODS Branch Operations and Drivers.

The PODZILLA™ hydraulic lift system can also fit onto a Bogie-truck, allowing us to deliver a second container with our trailer. Check out this delivery to the Sunshine Coast Hinterland, all the way up from Victoria. We placed 2 containers – one off the Bogie-truck and one off the trailer. Watch out for the clever single-rear-wheel-lift manoeuvre over the driveway plant after placing the 2nd container.

Tight spaces are no problem for PODZILLA. This is a recent delivery for a customer who wanted to store

Website: www.auspods.com.au

their PODS container between their house and shed.

This delivery placed a PODS container in a single car space, between two tight walls, after manouvering low ceiling heights.

Steep driveways are no problem for Podzilla! This container was delivered to and picked up from a house with a steep driveway AND tight access near the Gold Coast. Podzilla handled the job in her stride.

1800 467 637

If Sydney is the flashiest city in Australia, Melbourne is the hippest city. Melbourne is home to some of the best music, boutiques, art galleries, restaurants and coffee in Australia. In fact, most Melbourners will say that Australia's burgeoning coffee scene was born in the city's laneways. Add in an AFL-crazed fanbase and Melbourne will surely keep you entertained one way or another. While it's not the cheapest property in Australia, there are hidden gems found in the outer suburbs. If you're thinking of making the move to Melbourne, you need to lay the groundwork, start by researching.

If you are one of the brave ones moving to Melbourne without any family or friends to help guide you on which suburbs to move to or where the best coffee is, start researching as much as possible. Websites like Time Out, The Urban List and the Visit Melbourne website can help you know the lay of the land.

Instead of diving straight into a long-term lease or buying property in a suburb you know nothing about, opt for a month-to-month rental to start so that you can get to know the area. As you'll find out, Brunswick is a lot different from St. Kilda. Take the time to assess your new area and see how it fits into your daily life.

We bring you a PODS container, available in 3 convenient sizes and place it at ground level ready for easy packing and loading.

Pack at your own pace, or let our professional packers do all the work...

We'll pickup and move your container across town or interstate.

Or, we can store your container in one of our secure storage centres. Or store onsite at your premises.

At PODS, our Customer Care Representatives offer more than taking your order. They listen to your moving and storage needs, and make recommendations on how the process can be handled in the most efficient manner possible. They are there to deliver you peace of mind and ensure your journey with PODS is enjoyable.

Our PODS drivers, who are logistics experts, will deliver your PODS container straight to your door and right on schedule. From here, there are no deadlines or time pressure. You can take as long or as little as you want to pack and unpack. That's the beauty of mobile storage with PODS! If you do need someone to load or unpack the container, your customer care representative can recommend the best company to do that for you.

PODS storage containers are made of a steel frame with specially designed, aluminium skin panels. Their weather resistant exterior and durable, lockable roller door will keep your belongings in a safe place until you're ready to unload them. There is only one key to open this door and that's in your hands. All of our Storage Centres including our Melbourne Storage facility feature a sophisticated security system to give you 24-hour peace of mind. The PODS delivery trucks are also equipped with a patented lift system that minimises the shift of your belongings while in transit.

If you are looking for Contents Protection Cover for your stored items in our Melbourne storage facility, learn more about this policy and the claims process.

We understand everyone has different storage and moving requirements. Which is why PODS offers 3 different sized containers available for your long-term or short-term storage. Whether you've got a big house with lots of furniture and appliances, or a small unit with just a few big items, we will have a solution for you. From the moment you enquire or chat to your customer service representative, you are the person who calls the shots. Sure, we'll give you guidance or advice along the way but our solution is made to give you ultimate control.

We want to help you as much as possible. It doesn't need to be a stressful experience, as long as you have the

right support and the right process to make your move as efficient as possible. Check out some of our helpful articles below or go straight to more of our checklists, moving and storage tips.

Want to know more about PODS and our mobile storage solutions in Melbourne? Check out our Storage FAQs or give one of our friendly PODS customer care representatives a call on 1800 467 637.

If you're ready to book your PODS container now, simply head over to our light green booking form to place your order.

Once you've placed your order – here's more information on what to expect next.

The Right Move

For Your Move

Moving house just got easier. How? Because storage solutions just got smarter.

Forget the stress of moving house – PODS is your all-in-one cost-effective and flexible storage solution for getting your belongings safely from A to B.

With 3 different sizes of container and flexible drop-off and pick-up, the pressure of rushed packing disappears, leaving you with all the time you need to get it done right, first time.

We even take care of the driving, meaning you don't have to worry about expensive truck rentals, petrol costs and the frustration of having to make multiple trips between your two properties.

In fact, with PODS, it couldn't be simpler.

The Time And Space You Need With The Control You Want

Here's How It Works

Firstly, select the container size you need (a small container will comfortably fit a 1-bedroom apartment, and a large container is enough to pack a 3-bedroom house). Let us know which one you want, where you need it, and roughly how long you'll want it for.

Arrange your container delivery at a time which suits you and take advantage of the flexibility by packing at your own pace. You don't even need to be in when your container arrives.

Once you've finished packing, give us a call and we'll come and collect your container, taking it either to your new home or to one of our local, secure storage facilities.

Need a flexible storage solution for your next move? PODS can help. Get your quick quote now.

Pack at your own pace. On your timetable. To your standards. Then leave the driving to someone else—and leave the hassles behind. No longer have to rush packing the moving truck to make sure you have enough time to return it back. PODS makes moving easy!

We deliver a container, you pack at your own pace. Then when you're ready, we will pick up the container and deliver it down the road, across town or interstate. You can also choose to store it in one of our clean and secure Storage Centres.

PODS understands emergency situations and we're here to help. We supply emergency moving containers quickly! Our sturdy, weather-resistant PODS containers offer protection of your belongings during severe weather and natural disaster.

Why Choose PODS

With PODS, you don't have to worry about juggling multiple suppliers. Here, you can pack, move and store everything you need with just one point of contact. Simply select a storage container and drop-off date, pack and let us know when you're done.

If you need your belongings taken directly to your new property, we'll drive your container straight here. If you need them stored for a while, no problem - we've got you covered there too.

We know moving house is stressful and the last thing you need is another deadline.

That's why, when you rent a PODS container, you're not restricted by deadlines. No pressure, no late fees –

just complete flexibility. Whether you need a container for a few days or are after a secure storage solution for a few months whilst you wait for the keys to your new property, PODS is the answer.

Focus on the packing, then put your feet up – we'll handle the rest. Our friendly, experienced and fully-certified drivers will collect your container and take it from A to B, helping you to save time and cut out expensive petrol and truck rental costs.

Say goodbye to smashed vases and dented furniture. Unlike traditional storage and moving companies, PODS utilises a secure level-loading system which stops your items from tilting in transit, ensuring they arrive in the same condition they were packed in.

Container Sizes To Fit Any Space

PODS has three convenient container sizes to fit any size move. For large moves, mix and match container sizes to fit your space.

PODS has three convenient container sizes to fit any size move. Fore large moves, mix and match container sizes to fit your space.

Moving FAQs

PODS gives you the space you need to pack with the control you need to feel comfortable. 3 different container sizes and 100% flexible delivery/pick-up times mean you can keep your container for as long – or as little – as you need.

If you're in a squeeze to get out of your home but your new property isn't ready yet, our cost-effective local storage facilities offer a convenient place to keep your belongings safe until you need them. When the time is right, let us know and we'll drop your container back to you free of charge.

Forget rushed packing and multiple trips between your home and the storage centre – at PODS, we bring your container to you. Our specialist PODZILLA delivery vehicle gently loads and unloads containers, without the need for strenuous lifting or the risk of damaging your belongings. We'll deliver your container from A to B and, if needed, hold onto it for as long as you need in one of our flexible, secure storage facilities.

Security is one of our biggest priorities. You're the only person with a key to your PODS container, and

nobody else has access to the contents.

Our containers are constructed from durable steel, making them incredibly hard to break into. They're also fully waterproof and are proven to withstand wind speeds of 177kph when fully loaded. If you choose to keep your container in one of our local storage facilities, they're protected by 24/7 on-site security, too.

We offer next-day delivery on all of our PODS containers. You'll then have as long as you need to pack it.

No, although we'll be happy to recommend trusted and vetted suppliers in each of our locations.

Or call us on 1800 467 637

The staff that I spoke with were excellent and assisted in every way possible. Specifically, Renae was very helpful and made the process easy for me. Graham and David were also fantastic and did everything they could to assist with delivery.

Wendy on the phone was lovely - took time to explain & listened to questions. Knowledgeable on products too, quote was accurate. Both drivers very nice as well, in particular drop off one, genuinely friendly, made it much less stressful, thanks team.

Very good service, a great experience. Accounts were issued on time, customer service was excellent especially by Lisa. Access was easy to arrange and always on time.

Height: 2.4m

Approx 26m³

Furnished rooms: 3 bedroom house[^]

[^]The amount of space needed can vary based on the amount and size of furnishings in your home and the

additional goods stored in your garage, wardrobes and sheds. Please be sure to include all of your rooms when you talk with our Customer Service team or lodge our Get a Quote online form.

PODS pricing is based upon delivery charges and storage costs. Payment is required prior to delivery of your PODS container, then you will be invoiced monthly.

If storing for 6 months or more, additional discounts may apply. Talk with our Customer Care team with your pricing and payment questions. Call 1800 467 637 or get a quote now.

PODS containers are made of a steel frame with specially designed, aluminum skin panels with a light-weight steel roll up door.

Each container is rated to contain 3.5 tonne. When stacked in one of our secure Storage Centres each container can hold 15 tonne stacked on top.

PODS containers are clean and spacious, and designed to make it easy for you to load and unload and get the most for your money. Items like mattresses, tables and couches will typically take up space without adding a lot of weight.

For some customers who are moving large book or magazine collections, weights and workout equipment, or heavy tools, you may not be able to use all of the available space and should take extra care to balance and secure goods inside of their PODS containers.

When disaster strikes within your home, you're going to have a lot on your hands. If you throw keeping your belongings safe into the mix, the list for getting everything back to normal might seem endless.

With PODS, however, the items in your house are things you don't have to worry about. We're a mobile storage company with a difference. Instead of having to worry about moving your belongings to a storage site so you can make essential repairs, we'll bring the self-storage to you.

Placed in your front yard or wherever you'd like it, your container will be on your doorstep, ready for you to move your belongings in and out as they're needed.

Think of it as an extension to your home. Whether it be a burst water main or insurance complications, your container will be a safe, secure and convenient way for you to store your items.

If you don't want it in your front yard or if you need to store your items for longer, no problem – one of the PODS drivers will be happy to collect your container and move it to our secure Storage Centre. Whether it takes a few weeks or a few months, we'll keep your belongings safe until you've got your home back to normal.

Benefit from the flexibility of PODS today. Get in touch for your free, no-obligation quote now.

With such a large range of storage solutions available these days, it can be tricky to know which option is right for you. But if your belongings are worth storing then it's worth doing some research to find your perfect fit.

For educational institutions from Adelaide to Brisbane, inland or along the coast, PODS is the smart solution for maximising space, managing storage and transportation costs, and reducing the risk of damage and loss.

Flexibility is built into PODS' moving and storage solutions.

Manage, store and transfer merchandise with ease and maximise bookstore and stationery sales.

Keep school projects on track while minimising clutter and reducing the risk of damage to school assets.

Flexibility is built into PODS' moving and storage solutions.

Manage, store and transfer merchandise with ease and maximise bookstore and stationery sales.

Keep school projects on track while minimising clutter and reducing the risk of damage to school assets.

Flexibility is built into our moving and storage solutions.

For managing back-to-school bookstore rushes to tackling summertime campus renovations, adaptable portable storage is a must for an efficient, smoothly operating campus.

Get a PODS portable storage solution tailored to your school's unique needs.

Store and transfer merchandise with ease and maximise bookstore and stationery sales.

In the rapidly changing academic retail industry, maximising bookstore revenue has never been so critical.

Flexible portable storage solutions can help bookstore managers capitalize on revenue opportunities year-round.

Managing secure storage of sports and band equipment can present its own challenges. These items are often targets of theft and vandalism, which can lead to costly replacement and reduced morale.

It's your choice: Keep your container on-campus, or have us move it to one of our nearby secure Storage Centers. We can conveniently position your container wherever you need it, be that near sports fields, school buildings or auditoriums for easy access. No need to worry about space – our containers are designed to

fit in a single parking spot.

Expanding your campus or upgrading your facilities? Reduce the risk of theft of and damage to valuable furniture, fixtures, and equipment during construction projects by storing them in sturdy, weather-resistant PODS containers.

Transport items with ease. Easily load, move, and store items until your new facilities are ready.

Create more room for construction workers. Furniture, fixtures, and other equipment can get in the way during the construction process. Portable storage containers give workers more space to work, thereby speeding up the construction process.

PODS is passionate about supporting local schools and communities. We actively support school, church and community fundraising events across our serviceable areas with mobile and temporary storage solutions.

Whether you are looking for a secure collection point for fundraising items or need an overflow storage solution, PODS containers provide a sturdy, onsite, weather resistant structure for pre-, during and post-event activities.

Click [here](#) to find out more about our temporary storage solutions for school fetes, carnivals and community events.

Make more room on campus and school grounds with mobile storage.

Renovating dormitories this summer? Need a place for excess bookstore inventory? Save on time and costs by storing items on campus in easily accessible, sturdy, weather-resistant PODS containers.

Or perhaps you need off-campus storage for seasonal items such as sports equipment. No problem! Give us a call and we'll deliver a container to your facility. When you're ready, we'll pick it up and transfer it to one of our secure Storage Centers until you need it.

Timelines can change as projects take unexpected turns. Be prepared for delays and setbacks with a solution that has flexibility built into it.

With PODS, you're in control of scheduling, so you can take as much time as you need. Keep your container for a semester or the whole school year – it's up to you.

Make the best use of limited space with small-footprint storage. PODS containers conveniently fit in the space of a single parking spot, and our drivers can position them wherever you need them, even in tight or hard-to-reach spots.

There's no need to worry about booking drivers or inconvenient unloading and reloading. A PODS driver will deliver your container and reposition it whenever and wherever you need it, whether it's to the other side of campus or to an out-of-state game.

Our sturdy, weather-resistant PODS containers offer year-round protection of your assets. Providing moving and storage centres from Adelaide to Brisbane, we can provide a delivery service to many areas in and around Sydney, Melbourne, Brisbane and Adelaide.

With 3 different storage container sizes to choose from, we can help with the smallest or largest moving and storage situation.

Getting your house ready for sale can be a stressful process, especially if you're short on time and space. With so much to do in such little time, staging your home might feel like an endless battle, shuffling items from one room to the next in an attempt to get ready to host budding property hunters.

However, it doesn't have to be this hard. In fact, with PODS staging your house can be easier than ever.

We're a self-storage company with a difference. How? Because we don't just give you a self-storage unit for you to move your belongings to – we bring the storage to you.

We'll deliver your self-storage container to you when you need it, secured by a unique padlock to keep your items safe. With your container placed on your driveway ready and waiting, you'll cut out the rush and find yourself free to pack at your own pace.

We offer several different containers, tailored to all sizes of property. So, whether you're staging a 1-bedroom starter home or a 6-bedroom country house, we've got the right solution to fit your needs.

With this added control and flexibility, you'll find the time to de-clutter, organise, and prepare your home to wow prospective buyers as soon as they step through the door.

If you'd rather not have a container on your property during these visits, that's not a problem either. Simply let us know and a member of the PODS team will collect your container and store it in one of our secure Storage Centres. Once you're ready, give us a call and we'll bring it back.

With maximum flexibility increased time and added storage space, staging your home just got easier. Book your PODS container and streamline your home staging today.

With such a large range of storage solutions available these days, it can be tricky to know which option is right

for you. But if your belongings are worth storing then it's worth doing some research to find your perfect fit.

We all love a good garage sale, and it's coming up to that time of year again, the annual Garage Sale Trail. Now in its 7th year, it has grown into a weekend of garage sales across the country. For 2017 it is happening Saturday 21 and Sunday 22 October. You can find out more [...]

It happens all the time, the house sells and the new buyer wants in immediately. While on one hand it's obviously a big relief not to have to worry about selling your old house anymore, there's plenty left to do. That's because selling your home is, of course, just part of the equation. It's now [...]

There's no doubt I'm guilty of hanging onto things, from souvenirs I pick up on trips to that old comfy chair that's seen better days. If you're anything like me you know you just can't part with these things, even when it's time to move on. That's why now is the right time to start [...]

I've seen them from time to time and I'm sure you have too: those "for sale" signs that seem to stand the test of time, only to be topped off by new signs that say things like "price reduced." It's by far the fear that most homeowners worry about the most, yet one that rings [...]

Are you thinking of selling your home? Downsizing? Or even up-sizing? When you're preparing your home for sale, there is so much to do! Decluttering should be one of the top items on your 'to do' list. The better you present your home, the greater the chance you may have of a quick and profitable [...]

Whether you're moving house, going travelling or simply need a little extra space, long-term storage can be a great way to gain some all-important added flexibility

Good packaging takes planning, and if you want to keep your move smooth, you need to plan your materials.

Here's the hard truth – office relocation isn't always an easy task. If getting the desks, chairs and everything through the doors in the first place was a struggle, we're willing to bet you're not thrilled by the idea of doing everything in reverse.

Moving fragile items? You need to pack them properly!

Did you know that the energy used in an average home move is enough to power an LED light bulb full-time for over a year?

It's no secret that moving out for the first time can be both exciting and daunting in equal measures. From figuring out what to pack, what to leave behind and planning how to get your belongings from A to B, it's easy to see why so many first-time movers find the process stressful.

All those who've ever undertaken a house move will agree that it's one of the most stressful and challenging events. In fact, aside from the death of a loved one and divorce, University Hospitals lists moving as the third most stressful life event. A poll by The Telegraph also indicates that [...]

Home up for sale? Congratulations! If this isn't your first move, you'll know just how exciting the sales and moving process can be. However, in order to successfully sell, you need to both attract quality buyers and showcase your home at its very best. This is exactly why we recommend you [...]

Moving house is an exciting time. But desperately trying to figure out how you'll get everything from your current 4-5 bedroom home to your new one? Not so exciting. While moving your family home can be challenging, it doesn't have to be hard. We at PODS are here to make your life easier. In [...]

Website: www.auspods.com.au

You've tried to ignore it but it's there, staring up at you from the bottom of your to-do list. And now's the time to face the music. It's time for the big clean, and today is the day you make it happen. No more shall you tread on lego bricks bare-foot, letters shall no longer [...]

With so much of the world to see, you shouldn't let yourself get tied down. Sadly, with rent, mortgages and all of the personal belongings you've got in your property, it's all too easy to put travelling off.

With PODS, however, you can explore the world worry-free, knowing your items are secure and ready for you whenever you need them. We operate a mobile storage solution uniquely tailored to travellers like you. With PODS, you can gain the flexibility you need to pack up a moment's notice and indulge your wanderlust.

Our flexible mobile storage solution makes travelling easier than ever. Instead of having to dig up the roots you've set with your belongings, we'll look after them for you until you get back.

We keep the process simple and let you pack on your own terms by delivering your storage container straight to your door, taking away the stress of deadlines and letting you pack at your own pace. Once you're done, you can either keep it at your address or have it stored in our secure Storage Centre. After you get back, just let us know and one of our PODS drivers will drop your container back to you.

Whether you're travelling for work for a few weeks or moving abroad for a couple of years, we can help. With our multi-sized containers, you're sure to find a solution that's flexible, convenient and affordable. Get in touch with our friendly, trained team today for your free, no-obligation quote.

Mark and his four-legged best friend, white shepherd Mya, are embarking on the adventure of a lifetime. And before they pack their backpacks and head off for North America – there is some serious household packing to do! With plans to travel overland across Canada and the USA, from Whistler to Fernie, Telluride to Miami [...]

With such a large range of storage solutions available these days, it can be tricky to know which option is right

for you. But if your belongings are worth storing then it's worth doing some research to find your perfect fit.

Planning your next move? Moving containers offer a flexible and affordable alternative to the traditional removalist service. Moving containers give you the time to pack at your own pace and to your own standards. You can also take advantage of long and short-term storage if its needed. Lets have a look at how using moving [...]

We get it – moving is stressful! There is so much to do, so much to think about. In my job as Customer Service Supervisor at PODS, my primary goal is to make your job of packing and moving as easy as possible. My job is also to help solve problems. I have taken many [...]

Are you thinking of putting some goods away in storage? Then you'll need to take some precautionary steps before storing your goods long term. It is possible to preserve your belongings in storage, so they'll be in good shape when it is time they come out. But don't think that simply boxing your goods in [...]

Have you experienced damage to your home caused by extreme weather, flooding rains, fallen trees or other unforeseen events?

Do you need to move your belongings somewhere safe before disaster strikes?

Or do you need to safely store your belongings while emergency repairs are carried out?

When disaster strikes, PODS can help!

With years of experience providing emergency solutions to individuals and families, PODS can help reduce the stress of moving and storing your belongings during a difficult time.

We have helped customers in many different emergency situations, including:

PODS provides these services to individuals, families, builders and insurance companies alike. We can move your belongings to a safe location or one of our Secure Storage Centres. You can also store your container at your home while repair works are carried.

PODS can move your belongings before disaster strikes, when you are forewarned about imminent weather events.

PODS will deliver a container to you, you pack and fill, then we pickup and move to a safer location or one of our Secure Storage Centres.

In the unfortunate event of being unable to return to your home, we move your PODS container straight to your new home. No need to repack, and we do all the driving.

If repairs are needed on your home; or you need to remove all your household contents and place them into storage; or move just the items in the affected area of your home – store them in a PODS containers.

Store at your own home, or offsite at a PODS Storage Centre.

Your belongings are safe and secure, and protected from weather.

Website: www.auspods.com.au

PODS® containers are made of steel frame construction with a water-resistant seal and can withstand winds up to 170km per hour when partially filled.

With 3 different storage container sizes to choose from, we can help with the smallest or largest home emergency situation.

We can respond quickly and provide a delivery service to many areas in and around Sydney, Melbourne, Brisbane and Adelaide.

With PODS flexible and convenient local moving solutions, you can take your time packing and unpacking your belongings. And since we do all the driving, there's no need to worry about expensive truck rentals, insurance, petrol and the time wasted making multiple trips back and forth to pick up your truck. PODS is the local moving company that works on your schedule and puts you back in control.

We bring you a PODS container, available in 3 convenient sizes and place it at ground level ready for easy packing and loading.

Pack at your own pace, or let our preferred packing professional do all the work...

We'll pickup and move your container across town or interstate.

Or, we can store your container in one of our secure storage centres. Or store onsite at your premises.

PODS containers are available in 3 different sizes and with the flexibility of renting multiple containers for your move, its never been easier!

If your new home isn't ready, or just in need some extra space, we can store your container at our secure local Storage Centres until you are ready to have it delivered. PODS secure Storage Centres are located in Sydney, Melbourne, Brisbane and Adelaide.

Whether you're moving across town, interstate, or into storage, choosing PODS as your moving company will make the experience better than it has ever been. Imagine packing at your own pace. On your time-table. To your standards. Then leave the driving to someone else—and leave the hassles behind.

Building your own home can be one of the most exciting chapters of your life. However, there's no doubt going to be one big question hanging on your mind – during the construction, where are you going to keep your belongings?

Whilst traditional storage companies might have worked in the past, you now need self-storage that works around you. So, what can you do?

It's all in the name – PODS is your Portable On-Demand Storage solution. We've designed our service because we know it can be difficult to predict when home construction will be completed. That's why we offer you a completely flexible self-pack storage container service that works around your needs.

We'll deliver one of our purpose built storage containers to your door and leave it with you for as long as you need to pack. You'll be able to take the packing process one step at a time, ensuring your items are fully accessible and stored in the order you'll need them.

You can leave the storage container onsite at your new home construction site, for easy access during construction; or call us and we can keep your items safe and secure at one of our secure Storage Centres until you are ready to move into your new home.

Short term or long term, PODS will keep your possessions safe and secure while you build your new home. Contact our team for your free, no-obligation quote today.

Matt and Amy decided to move interstate when Amy was offered the job of her dreams. In their new home city, they initially rented a studio, month-to-month, until they found their new permanent home.

Congratulations ... you're having a baby! So much to celebrate and so much to think about. Do you need to

sell your home and move to a bigger home? Do you want to move closer to family for some extra support? Do you need a new car to fit your growing family? Exciting times

PODS makes interstate moving less stressful. Whether you're moving yourself, your family or your business, we'll remove the hassles and headaches from the moving process.

When you move interstate with PODS, we give you all the time you need to load your belongings into your empty container. When you're ready to settle in to your new home, we'll deliver the container right to your door, and you can take as much time as you need to unload everything. If your move takes weeks or months, we can manage the storage for you too.

With Storage Centres in Brisbane, Melbourne, Sydney and Adelaide, PODS can move you between Melbourne and Brisbane, Sydney and Adelaide, and any combination in between.

Why Move Interstate with PODS

With PODS, you don't have to worry about juggling multiple suppliers. Here, you can pack, move and store everything you need with just one point of contact. Simply select a storage container and drop-off date, pack and let us know when you're done.

If you need your belongings taken directly to your new property, we'll drive your container straight here. If you need them stored for a while, no problem - we've got you covered there too.

We know moving house is stressful and the last thing you need is another deadline.

That's why, when you rent a PODS container, you're not restricted by deadlines. No pressure, no late fees – just complete flexibility. Whether you need a container for a few days or are after a secure storage solution for a few months whilst you wait for the keys to your new property, PODS is the answer.

Focus on the packing, then put your feet up – we'll handle the rest. Our friendly, experienced and fully-certified drivers will collect your container and take it from A to B, helping you to save time and cut out

expensive petrol and truck rental costs.

Say goodbye to smashed vases and dented furniture. Unlike traditional storage and moving companies, PODS utilises a secure level-loading system which stops your items from tilting in transit, ensuring they arrive in the same condition they were packed in.

There are many options when it comes to moving from one state to another. Moving containers and traditional interstate removalist services are probably the most common. However, PODS' moving containers are by far the easiest way to move interstate. Once the packing is done and it's time for the big move, simply call the company to collect your container and they do the driving and moving for you. If you're undertaking an interstate or long-distance move, the items you placed into your container are delivered exactly as you packed them. There is no unloading and reloading of your items at a depot between removalist warehouse locations. This works to reduce the risk of loss and damage to your items before they reach their final destination.

Brisbane – or Bris Vegas to some – is trending hard right now and for good reason. Not only is it being dubbed as the next cultural capital of Australia but it's also the most affordable option for first-time homebuyers and renters in all of Australia's east coast cities. So where should you start? Research is key.

If you are one of the brave ones moving up without any family or friends to help guide you on which suburbs to move to or where the best coffee is, start researching as much as possible. Websites like The Urban List and Visit Brisbane can help you know the lay of the land.

Instead of diving straight into a long-term lease or buying property in a suburb you know nothing about, opt for a month-to-month rental to start so that you can get to know the area. As you'll find out, the north side of Brisbane is a lot different from the south. Take the time to assess your new area and see how it fits into your daily life.

We just heard you need a storage container. Our process is simple;

We bring you a PODS container, available in 3 convenient sizes and place it at ground level ready for easy packing and loading.

Pack at your own pace, or let our professional packers do all the work...

We'll pickup and move your container across town or interstate.

Or, we can store your container in one of our secure storage centres. Or store onsite at your premises.

From the moment you order your PODS container, one of our customer care representatives will commit

themselves to ensuring your moving and storage needs are fulfilled. They will listen and make recommendations based on what you're after, and aim to deliver an experience that goes above and beyond.

Our PODS drivers will deliver your storage container adhering to the time you choose. From there, you have no deadlines or time pressure. We allow you to pack your PODS container at your own leisure. Every container rests at ground level so that means there are no ramps which makes unloading and loading a lot easier.

PODS storage containers are strong, secure and weather resistant. The roll up door is light-weight but durable to keep your belongings safe and secure. Each PODS container comes with one key which will be given to you. When your container is on the move, the patented lift system installed in each of our delivery trucks will minimise the movement of your belongings while in transit.

To give you extra peace of mind, we have installed a sophisticated 24-hour security system at all of our storage centres including our Brisbane storage facility to ensure your belongings are always safeguarded.

We have 3 different sized containers; small, medium and large. We have these different sizes to accommodate a range of moving and storage needs. Whether you've got a small unit or a family home, there will be a PODS storage solution for you. If you have a very big house, you may need to get multiple containers. Don't worry about not having enough space on your driveway. Our scheduling technology permits flexible delivery and pick-up days.

The beauty about mobile storage with PODS is that you are in control. There is one key to each PODS container and that key is yours. You choose when you want things to be delivered and taken away. As for us, we're just there to support you and make sure your journey with PODS is flexible, efficient and enjoyable!

We love to help our customers as much as possible. Whether it's choosing what to wear when you are moving, how to cope when things don't plan out or how to move awkward large items, we've got some great resources for you.

Whether you're moving house, going travelling or simply need a little extra space, long-term storage can be a great way to gain some all-important added flexibility

Good packaging takes planning, and if you want to keep your move smooth, you need to plan your materials.

Here's the hard truth – office relocation isn't always an easy task. If getting the desks, chairs and everything through the doors in the first place was a struggle, we're willing to bet you're not thrilled by the idea of doing everything in reverse.

Moving fragile items? You need to pack them properly!

PODS containers come in 3 different sizes – Small (approx 10.5m³), Medium (approx 20.4m³) and Large (approx 27.6m³); so whether you've got a big house with lots of stuff to pack away or a small unit to move, we can manage the lot. Clean, sturdy and plenty of space to store and pack your belongings.

PODZILLA is a patented and unique hydraulic lift and transport system designed by PODS to reduce shifting of your contents while your container is being loaded onto the PODS truck for transportation. The PODZILLA is delicate enough to deliver a container within metres of your door.

Tight spaces are no problem for PODZILLA. This is a recent delivery for a customer who wanted to store their PODS container between their house and shed.

This delivery placed a PODS container in a single car space, between two tight walls, after manouvering low ceiling heights.

Steep driveways are no problem for Podzilla! This container was delivered to and picked up from a house with a steep driveway AND tight access near the Gold Coast. Podzilla handled the job in her stride.

3 large PODS containers on the back of a transport truck ready to move from Brisbane to Sydney.

Losing a loved one is never easy, and it's something all of us will go through at some point in our lives. When the time comes to clear their estate, it can be a lot to deal with, especially if you find yourself struggling for time and space.

At PODS, we're here to make the process of clearing a loved one's estate as easy and stress-free as possible. No matter the size of their house, we offer simple self-storage solutions delivered to your door, enabling you to pack at your own pace.

We offer our customers a simple 3-step process to support them during an estate clearance. Firstly, let us know when you're going to need your container and our team will arrange a convenient time to drop it off. Then, you're left as long as you need to sort through items and belongings and pack them in your container. Once you're ready for it to be collected, a member of our team will come to pick it up and take it to your required destination, or to one of our local secure Storage Centres.

When clearing an estate, you deserve all the time and space you need. With PODS, you get a solution that's convenient, flexible and affordable, delivered straight to your doorstep. Book your container today – get in touch with us for your free, no-obligation quote.

It's no secret — moving home, whether that be interstate or regional, has always been viewed as a hassle and companies aren't short of offering solutions. Finding the best one for your needs, however, isn't so easy. And when it comes to something as crucial to your move, making the right decision is the difference [...]

Planning your next move? Moving containers offer a flexible and affordable alternative to the traditional removalist service. Moving containers give you the time to pack at your own pace and to your own standards.

You can also take advantage of long and short-term storage if its needed. Lets have a look at how using moving [...]

Are you thinking of selling your home? Downsizing? Or even up-sizing? When you're preparing your home for sale, there is so much to do! Decluttering should be one of the top items on your 'to do' list. The better you present your home, the greater the chance you may have of a quick and profitable [...]

When faced with the prospect of downsizing their home, many people instantly feel that they are being hurled into the abyss of lesser living. It can also be quite an emotional time if you're saying goodbye to your family home.

Whether you are organising a festival, concert or marathon, PODS has a mobile storage solution for your next event. Providing temporary event storage for both short- and long-term periods, PODS innovative storage solution offers flexibility and convenience that works for a wide range of event situations, including:

PODS containers have been used for a range of event applications including drink and food service stations, delegate registration, equipment storage, meeting rooms and more. They work to provide a sturdy, onsite, weather resistant structure for pre-, during and post-event activities. Containers are also used to store equipment and supplies between events; storing them onsite at your own premises, or offsite at a secure PODS storage centre.

Choose between 3 different sized containers (small, medium and large); and order as many containers as you need, including multiple sizes.

Protect your event items from theft, dirt, dust and weather. PODS containers are strong, secure and weather resistant. A durable, lockable roller door protects your belongings; and as only you have the key, you control who has access to the stored items. Our storage containers have been tested to withstand a wind speed of up to 177 kilometres per hour when partially filled.

PODS will deliver your container directly to your event; or we can deliver to your staging or office area for pre-loading and preparation. Our containers are also used to store equipment between events, and delivered as needed to different event venues. With short- and long-term storage options, there has never been a more convenient and flexible solution.

Ground level access and durable, lockable roller doors make for easy onsite access, and efficient use of space. Ambient lighting means you can work inside the container, and easily locate stored items. Shelving and tables can be used to make the best use of all the space inside the container.

The Podzilla hydraulic lift system ensures our containers are placed carefully and smoothly on the ground. This minimises surface damage at the container placement area, and ensures stability of contents when moving containers between sites and venues. The Podzilla systems also allows the container to be 'walked in' to some difficult-to-reach areas.

PODS containers come in 3 different sizes, ready for loading of the smallest to largest items. You can hire just one, or multiple and different sized containers for placement at different locations and venues for the one event.

Once delivered and filled, containers can be moved before, during and after your event. Large events use PODS containers at multiple stations across their venue, solving stock movement and logistical problems.

PODS containers are a genuine, secure, mobile storage solution. With onsite and offsite storage options, we have all your event storage needs covered.

Whether you are needing to store personal belongings, furniture or business items, PODS has a space for you to store it. PODS innovative mobile self storage solutions offer cost-effective convenience and flexibility to solve a wide range of storage needs.

Store any excess items in a PODS mobile self storage container so you can reclaim your shed, your garage, your cellar or any other room in your house.

When preparing your house for sale, PODS storage containers are the simple solution. Store your excess furniture and belongings to allow prospective buyers to see your home, not what's in it.

Protect your belongings from dirt, dust and demolition by storing them in a PODS self storage container for as long as you need. With PODS, your home can still be liveable even during complicated and lengthy home improvement projects.

Need storage between moves? We'll store your PODS container in one of our secure local Storage Centres and deliver it to your new location when you need it. No need to pack and unpack until you're ready to move into your new location.

PODS is an ideal solution for a variety of business storage needs. Pack a PODS self storage container with extra inventory, seasonal items, promotional materials, special event materials – even your important documents or archives.

PODS containers come in 3 different sizes, ready for loading for the smallest unit or largest home:

1800 467 637

Did you know that Adelaide has been consistently voted as one of the world's top ten most liveable cities by the Economist? This small but mighty city has a lot to offer — from beautiful parks, historical architecture and an enviable dining scene. If you're thinking of making the move to Adelaide, it's time to start your research.

If you are one of the brave ones moving down (or across) without any family or friends to help guide you on which suburbs to move to or where the best coffee is, start researching as much as possible. Websites like Time Out and the official City of Adelaide website can help you know the lay of the land.

Instead of diving straight into a long-term lease or buying property in a suburb you know nothing about, opt for a month-to-month rental to start so that you can get to know the area. As you'll find out, Port Adelaide is a lot different from the southern suburbs. Take the time to assess your new area and see how it fits into your daily life.

We bring you a PODS container, available in 3 convenient sizes and place it at ground level ready for easy packing and loading.

Pack at your own pace, or let our professional packers do all the work...

We'll pickup and move your container across town or interstate.

Or, we can store your container in one of our secure storage centres. Or store onsite at your premises.

At PODS, convenience is delivered in an experienced Customer Care Representative taking care of all your

local and interstate moving and storage requirements. Yes, everything. Even Contents Protection Cover, packing supplies and professional packers if required.

We'll deliver your PODS container right to your driveway. You can take as long or as little as you want to pack and unpack. That's the beauty of mobile storage with PODS!

PODS storage containers are strong, secure and weather resistant. Your belongings are secured behind a durable, lockable roller door. There is only one key to open this door and that's in your hands. All of our Storage Centres including our Adelaide Storage facility feature a sophisticated security system to give you 24-hour peace of mind. The PODS delivery trucks are also equipped with a patented lift system that minimises the shift of your belongings while in transit.

We also offer a PODS Contents Protection Cover for your stored items in our Adelaide storage facility. Learn more about this policy and the claims process.

With 3 different sized containers available for your long-term storage, you can choose the best one to accommodate your individual needs. Whether you've got a big house with lots of things to pack away or just a small unit to move, we have considered these scenarios to give you three sizes and price ranges.

No one has access to your belongings except you. At PODS, we give you control of your belongings and the whole process. We're just there to support you and make the process as convenient as possible!

We know all too well how stressful moving is which is why we love being generous with helpful advice! Whether it's choosing what to wear when you are moving, how to cope when things go slightly pear shaped or how to move a piano; we've got some great resources for you.

Looking for more information about PODS or our mobile storage solutions in Adelaide? Feel free to browse our Storage FAQs or give one of our friendly PODS customer care representatives a call on 1800 467 637.

If you're ready to book your PODS container now, simply head over to our light green booking form or give our Adelaide team a call on 08 8250 0092.

We bring you a PODS container, available in 3 convenient sizes and place it at ground level ready for easy packing and loading.

Pack at your own pace, or let our preferred packing professionals do all the work...

We'll pickup and move your container across town or interstate.

Or, we can store your container in one of our secure storage centres. Or store onsite at your premises.

PODS pioneered the portable moving and storage industry in 1998 in the USA, with the simple idea of helping people move and store their belongings more easily by delivering a portable storage container to them. Every container rests at ground level; no ramps make loading and unloading a lot easier. Our patented PODZILLA hydraulic lift system keeps your container – and your possessions – level while loading onto and off the truck. So whether you are moving or storing personal belongings or business equipment, we have the right answer for you.

With just one call our experienced Customer Care Representatives can arrange all your local and interstate moving and storage requirements, Contents Protection Cover, packing supplies and professional packers if required. Moving is stressful but PODS can ease the pressure with our secure, convenient and cost effective easy moving and storage solution. Call 1800 467 637 or get a quote online now.

We'll deliver a PODS container to your driveway, take as long as you need to pack and unpack with easy ground level loading.

PODS containers are strong, secure and weather resistant. A durable, lockable roller door protects your belongings, giving you peace of mind, whether the container is stored onsite or in one of our clean, secure Storage Centres.

PODS has 3 different sized containers available to accommodate different requirements. The PODS containers are packed and unpacked once only saving you time and money.

With PODS, you have control of your belongings and the whole process. Everything is done on your schedule. And no one has access to your things but you.

PODS containers are moved via our patented PODZILLA™ hydraulic lift system. This amazing detached delivery system allows placement of containers in tough-to-reach and hard-to-fit locations that roll-off systems can't match.

With PODZILLA, loaded containers can be easily repositioned, to a different location at a job or project site – or moved to the next job. PODZILLA keeps the container level to minimise shifting of contents during delivery and transport.

The PODZILLA lift system is mounted onto a local PODS delivery truck that can carry any size PODS container, and is operated by local PODS drivers who are specially trained to operate the PODZILLA system and protect the contents of your PODS containers.

PODS is the smart logistics partner for State Government and Local Council authorities. Many government groups have partnered over the past 20 years to help increase moving and storage efficiency, manage costs more effectively, and reduce the risk of damage and theft to valuable items.

Increase operational efficiency with PODS' flexible moving and storage solutions.

Reduce the risk of theft, vandalism, and damage by the elements with PODS' sturdy, weather-resistant containers.

Reduce the risk of theft, vandalism and damage by the elements with PODS' sturdy, secure, weather-resistant containers.

Increase operational efficiency with PODS' flexible moving and storage solutions.

Reduce the risk of theft, vandalism and damage by the elements with PODS' sturdy, secure, weather-resistant containers.

Increase operational efficiency with our flexible moving and storage solutions.

Adaptable portable storage is essential for any smoothly operating government agency. No matter your project type or scope, PODS can save time and help you streamline operations with our portable storage solutions.

The concept is simple:

You can utilise PODS containers in a number of ways, including:

Whether you need urgent response to an emergency situation or last-minute project or event logistics, you need support from professionals with proven fast response experience – and you need it fast.

Our network of portable storage containers and trucks allows us to respond quickly from Adelaide inland and

along the east coast to Brisbane.

Leverage our extensive experience working with government agencies to provide:

PODS provides flexible, immediate solutions to restoration contractors, insurance carriers and emergency response agencies. With flexible solutions, fast logistic support and secure storage, PODS containers can expand storage capacity for short- and long-term periods in a secure environment. [Click here](#) for more information about our Emergency Moving and Storage services.

Reduce the risk of theft, vandalism, and damage by the elements with a PODS sturdy, weather-resistant container.

PODS' steel-framed, weather-resistant containers have been determined to withstand wind velocities of up to 170km/h when partially loaded. They are specially designed to reduce the risk of moisture-related damage caused by condensation and mold.

With all PODS containers, whether stored at your location or in one of our secure Storage Centres, you own the lock and key, so your container's contents are only accessible to people you give the key/s to.

Timelines can change as projects take unexpected turns. Be prepared for delays and setbacks with a solution that has flexibility built into it. With PODS, you're in control of scheduling, so you can take as much time as you need.

Make the best use of limited space with small-footprint storage. PODS containers conveniently fit in the space of a single parking spot, and our drivers can position them wherever you need them, even in tight or hard-to-reach spots.

With our huge network across North America, we're prepared to respond quickly when you need your container picked up or delivered. We can deliver your containers within 24 hours in most cases.

With combined storage and moving, there's no need to worry about booking drivers or inconvenient unloading and reloading. With a simple phone call, your direct contact can conveniently have your container relocated where you need it.

Website: www.auspods.com.au

Our sturdy, weather-resistant PODS containers offer year-round protection of your assets. Providing moving and storage centres from Adelaide to Brisbane, we can provide a delivery service to many areas in and around Sydney, Melbourne, Brisbane and Adelaide.

With 3 different storage container sizes to choose from, we can help with the smallest or largest moving and storage situation.

PODS containers are moved via our patented PODZILLA hydraulic lift system. This amazing detached delivery system allows placement of containers in tough-to-reach and hard-to-fit locations that roll-off systems can't match.

The PODZILLA™ hydraulic lift system can also fit onto a Bogie-truck, allowing us to deliver a second container with a trailer. Here you can see placement of 2 containers – one off the Bogie-truck and one off the trailer.

With proper supplies and a few helpful tips, you can pack like the pro!

What is PODS? A smart way to move and store.

Moving a business can be challenging. Ensuring the contents of your office, warehouse or retail store are moved swiftly and securely to your new location is an obvious priority. So is minimising any downtime and the costs associated with such a move.

PODS allows you to combine local, long distance and interstate moving services and secure business storage.

We deliver our sturdy, weather-resistant containers to your existing location. You can load the containers yourself, or we can refer professional packers to do the work, at your own pace. When your containers are loaded, call us and we'll pick them up and deliver them to your new office. If your new office is not ready, we can store your containers in our secure local Storage Centre until you are ready to complete your move.

Stay focused on business and save time and money by leaving your business moving and relocation to PODS.

Congratulations! If your company has had you contact PODS you have the opportunity to experience a new way to move and store your things which will provide less stress, more flexibility and likely to save you money.

PODS IS EASY, CONVENIENT, AND AFFORDABLE.

PODS customised programs add value to your corporate partnerships. Our cost effective services are a great alternative to van lines and rental trucks.

COST EFFECTIVE ALTERNATIVE TO VAN LINES AND RENTAL TRUCKS

PODS containers are moved via our patented PODZILLA™ hydraulic lift system. This amazing detached delivery system allows placement of containers in tough-to-reach and hard-to-fit locations that roll-off systems can't match.

Our sturdy, weather-resistant PODS containers offer protection of your assets during severe weather and natural disasters or renovation and remodeling project. Flexible and cost effective, PODS are here to serve

your ever-changing business moving and storage needs.

PODS is a valuable bonus to the customer experience for many businesses. From offloading excess goods, giving you more space to serve your customers, to including PODS as part of your service offering, PODS has been proven to deliver extra profit to your business and extra value to your customers.

Whether you need a business onsite self storage or clean and secure storage centre solution, short term or long term, PODS can provide a commercial storage solution for those items that need safe keeping.

Expand your back room and reduce labor costs with flexible onsite and offsite storage and transportation capacity.

Whether it's a store-in-a-container solution, or simple onsite storage of promotion and signage, PODS provides a clear competitive advantage.

PODS eliminates project steps and costs with transportation and storage of old and new fixtures and merchandise

PODS portable storage system is the perfect collection, installation, transportation, and warehousing solution. Contractors and building supply wholesalers agree that PODS® containers are a better solution for loading, delivering, and storing.

Whether you're moving the entire company, or occasional employees, PODS provides the best moving and storage experience ever.

PODS make it all easier, whether it's vendor storage at the state fair, promotional storage at the 10K charity run, or a new product tour

Reduce casualty claims costs and improve the efficiency of pack-outs and material salvage with both onsite and offsite storage.

PODS has clean and secure storage centres located in Sydney, Melbourne, Brisbane and Adelaide.

Website: www.auspods.com.au

You can store your container in one of our storage centre locations, or PODS can move your containers to other business locations across town or interstate.

The process is simple:

With PODS, you can spend more time on your business and less time worrying about your business storage needs.

PODS® containers add convenience, flexibility and inventory control to your business. Our professional staff work with you to create customised supply chain logistics to transport and store your goods closer to the point of use. With PODS as your logistics partner, you can drive profitability by continually optimising your network and performance.

Our sturdy, weather-resistant PODS® containers offer protection of your assets during severe weather and natural disasters or renovation and remodeling project. Flexible and cost effective, PODS are here to serve your ever-changing business moving and storage needs.

Page: Cost of Using Storage Containers For Your Next Move | PODS®

Seen it Cheaper?

[Click Here](#)

1800 467 637

Moving and storage can be expensive – but with PODS, it doesn't have to be. Whether you are looking to move to a new house or store your belongings, renting a PODS container can save you big bucks compared to hiring a professional moving company or renting a self-storage facility. Let's break down exactly how costing works with PODS.

PODS containers are one of the most cost-efficient and common-sense ways to move house. To get a price, you'll first need to figure out (with our help) what size, and how many containers you'll need.

Our containers come in three sizes as shown below, making them suitable for any moving job, small or large.

Renting a small PODS container starts from \$179 per month. This container size is ideal for a studio or 1-bedroom apartment. For a "standard" 3-bedroom home, we would recommend our largest container, which starts at \$299 per month. For families with a large four- or five-bedroom home, you would likely need two large PODS containers.

That being said, the number of PODS containers you need really depends on how much stuff you have – you might live in a large home but enjoy a minimalist lifestyle, or perhaps you're more like our own Office Manager Lisa, who's confessed to being a hoarder of many things.

The overall cost of your booking with PODS will also depend on where you are moving to, whether that's a few suburbs away or moving interstate, and whether you also need longer-term storage. If your move takes weeks or months, as some moves do, you are able to store your container in one of our storage centres for as long as you like. Depending on the position of your drive-way, if a container is not able to be placed securely, then additional charges may also apply.

Additionally, you might like to consider purchasing packing boxes and supplies, locks and our content protection program, which will also increase your overall quote.

Either way, when you speak to our friendly customer service team, they'll be able to delve further into your specific needs and provide you with the recommended size, quantity and the total cost of hiring a PODS containers for your move.

Unsure of which size container you need? Try our storage space calculator or give our friendly customer service team a call on 1800 467 637. We can even come out to your home before you book with a free, no obligation visit to assess how much space you'll need!

Keep reading to learn more about PODS' payment options.

No problem! We understand that not every property has the right clearance for end to end placement (that's 3.8m width and 4.6m in height, with no steep inclines, low branches or wires) so if you require multiple PODS we can stagger the delivery times of your containers. We're flexible on pick-up and delivery dates too, for your convenience.

There are many benefits to hiring a PODS containers for both long-term and short-term storage. When you choose PODS for self-storage, there are two options – you can keep the container onsite at your property, or store it in one of our secure local storage facilities around the country. The cost will depend on which option you choose, your location and the amount of time you require the container.

If you are only requiring storage for a short period of time, it's convenient to have the container delivered directly to your location. Storing a PODS container on your property starts from just \$145 per month.

For a longer-term storage solution, we'd recommend taking advantage of our secure storage facilities, which also start at \$145 per month . PODS also offer Contents Protection, which will give you piece of mind in knowing that your belongings are protected for as long as you need.

If you need extra storage space for an upcoming event, you might also consider hiring a PODS container for a festival, school fete, marathon or more.

To find out exactly how much hiring a PODS container costs for self-storage, get an instant quote or give our customer service team a call on 1800 467 637.

Flexible and cost-effective pricing is just one of the many reasons why PODS containers are perfect for your next move or storage. PODS pricing is extremely cost-effective, which means you don't have to pay for anything you don't need, and flexible based upon delivery charges and storage costs.

Payment is required prior to delivery of your PODS container, after which your billing or "storage rent" will be processed on a monthly basis until you are finished with the container.

PODS accept credit card, direct debit and COD (initial delivery only) payment options. For more information visit our payment methods page.

(Tip: Follow us on Facebook and keep an eye on our promotional offers, which could see you landing your first month of storage at half price!)

Hi

Could we find out please the cost of a pod (one bedroom unit contents) to transport to Adelaide from Erina on the Central Coast. We would need delivery then pick up then stored in adelaide whilst my father finds accommodation. Thank you

Hi Dale and Norm, we can help you but need a little more information about your pickup and delivery locations. A Small or Medium container will probably be the right size for you. Are you able to call 1800 467 637 during business hours or complete the form on this page – <https://www.auspods.com.au/get-a-quote/>

We are relocating from Bacchus marsh to underbool Victoria and only require pod for approx 3 days prior to move then 3-5days post move is this possible?

Hi Joanna,

Unfortunately we wouldn't be able to help you with your move at this time.

Kind regards,

What would it cost to store in an average size pod then transport to Adelaide?

Hi Collette, please request a web quote so we can provide you with the most precise cost:
<https://www.auspods.com.au/get-a-quote/>

How much is it to hire a pod to Aspley and then take it to Blackwater Queensland. Please

Hi Patricia, thank you for your enquiry, unfortunately we do not service Blacktown, we do not go that far, sorry for any inconvenience. thank you.

Hi do you deliver to Harvey bay qld from Gold Coast?

Hi Kelly, Unfortunately we do not service Harvey Bay.

Do you supply men to lift furniture into the pod

Hi Anita, thank you for your enquiry, unfortunately we as a company do not load or unload the POD, but we do have recommended people who could do this for you depending on where you are, if you need more information please email sales@auspods.com.au regards Elaine

We are relocating from Rockhampton to Melbourne. As we do not have a home to move into yet we would require our furniture to be held in storage for a short time. Although we have a 3 bedroom home at the moment we are not taking everything with us . Also we currently live on a sloping block is there any problem with using the pods in that situation.

Regards

Lyn Ryan

Hi Lyn, I apologise for the late response. Your comment was buried amongst a lot of spam comments. If not too late, we can certainly help with your move and storage needs. With regard to your sloping block, it will be best to talk with our Customer Care team about that. We can manage steep and sloping blocks to a degree. Are you able to call 1800 467 637 during business hours? They'll be able to answer all your questions and provide pricing.

we are moving from Wynyard in Tasmania to Newcastle...1 x 3 bedroom house + 1 x 1 bedroom unit...need the container stored in Newcastle for a couple of months till we buy a house...please reply with an approximate cost

Hi Malcolm, unfortunately we don't provide our services in Tasmania. We can help you from Melbourne to Newcastle, but not from Wynyard.

Hi we are moving from Gold Coast to Sth Gippsland. Do you travel that far and would it even be feasible to consider.

Hi Wendy, Yes we service both those areas & just need to ask a few more questions about the specifics of your move. Are you able to call us on 1800 467 637 or email at austcustserv@auspods.com.au or complete our online Quote Form and we will get back to you about pricing. <https://www.auspods.com.au/get-a-quote/>

Hi. Can you tell me the cost of 2 x large containers dropped off in Camden NSW (packed by us) and delivered to Bribie Island QLD (unpacked by us) please. Blocks are flat on each end & we'd need 3 weeks to pack and a week to unpack. Thanks in advance.

Hi Natalie,

If you could call our 1800 467 637 one of our staff will be able to give you a personalised quote.

Regards,

I want to order a large box but I have a narrow drive way. So was wondering if the truck will fit down it?

Hi, We need 3.7m in Width to successfully place the POD down, Alternatively give us a call on 1800 467 637 and we can discuss potential placement.

Hi we are looking at moving. Do you deliver to Esk QLD please.

Hi Tony,

We certainly do deliver to Esk. If you would like some more information are you able to call us on 1800 467 637 or email at austcustserv@auspods.com.au or complete our online Quote Form and we will get back to you about pricing. <https://www.auspods.com.au/get-a-quote/>

Lisa

Help I'm looking at getting a medium size pod at Old Reynella and storing at a location at Marino – will be for 3 months – could you give me a cost please?

Hi Sandy,

Thanks for the enquiry, If you would like a personalised quote, please call us on 1800 467 637 or email at austcustserv@auspods.com.au or complete our online Quote Form and we will get back to you about pricing.

<https://www.auspods.com.au/get-a-quote/>

Lisa

Hi we are looking to move from Canberra to Goldcoast. We have 4 bedrooms but we are not taking all our stuff. Can you please advise how much and if you have service on these areas? Also we have a driveway but not that big so not sure if it fits your container

Hi Beth,

if you could contact our 1800 467 637, and the agent will be able to supply you with a personalised quote.

regards,

I would like to have a phone number and I would like to know if you come to Albany Ind 47320 and I will be moving to Williams Ind 47470 Thank you John M Ortman

Hi John,

I do believe you have come through to the Australian web site! if you look for PODS.com you will find they will be able to assist you further.

All the best

Hi

Can you assist with my move from Hobart to the gold coast??

Debbie,

We don't service Tasmania, I can personally recommend Chess Removals, Glenorchy, brilliant I did that move myself and they were great.

I should be moving to the Boonah area from Wacol and may need several pods to be filled over 4 weeks.

I have many empty plant pots, garden hoses and tools which may fill one pod plus household furniture in another pod plus about 2,000 plants which I have grown for the new place.. They may fill 2 pods. They won't be soggy with water and are an okay size for fire ant matters. I will need to hire them all for about 4 to 6 weeks. Initially I would hire one and as each is filled I would hire another, The units holding plants will be filled last. and unloaded first, Would you be able to cover that plan.?

Hi Christine, please give our call centre a call on 1800 467 637 to obtain a quote and check availability.

Can I get a price on moving my furniture, boxes, garage items to townsville from ipswich please.

Hi Zoie, we unfortunately do not go as far up north as Townsville. We hope you find a suitable service.

Hi do your storage units have tethering points inside to secure taller items with straps/ropes to keep them upright?

Hi Nikki, yes, our PODS have tie down points.

Do you deliver from Melbourne to Cairns?

Hi Suzy, we unfortunately do not service Cairns.

Hi do you service the Eyre Peninsula ?

Elliston to Adelaide ?

Hi Sheri, we unfortunately don't service Elliston,

Good Morning.

We are going to be moving from Burpengary to Bundaberg.

At this stage we may need to store the pods.

When in storage are these undercover out of the sun, heat.

Also do you travel pods up to Bundaberg.

Hi Malcolm, we unfortunately do not service Bundaberg.

Can pods be placed on grass?

Hi Jo, yes, it can be placed on grass or on the yard.

Hi,

We need to vacate our current residence in Redland Bay but as yet have nowhere to relocate to (hopefully somewhere relatively local). So we will most probably need to pack up into two large containers, have them stored until we find something, then have them delivered to our new address sometime in the near future. Just wondering how that works. I take it you drop off the container(s), give us time to fill them, then collect and store at your facility ready to be delivered back to us at the new address where we finally find one. Is this

correct?

How is the pricing structured?

Hi Karen, we can do that. Pricing would have the delivery/transport fees and container hire. Please request for a quote here: <https://www.auspods.com.au/get-a-quote/>

Do you send from Adelaide to Perth ?

Hi Jadon, we unfortunately do not service WA.

I have a Harley a queen bed tv unit & tubs of tools , fridge dinning x6 & recliner chair what do suggest & move to qld near marrotheador

Hi Duncan,

thank you for your request, we only move our small and large PODS interstate, so i would say the large as this is for a standard 3 bedroom (about 3/4 single garage) you haven't said where you are moving from.

regards

Elaine

Hi guys, just wondering if you service Geraldton, WA at all?

Hi Jade, Unfortunately we do not service WA, sorry for any inconvenience. if you have any other questions please feel free to ask. Regards Elaine

Hi,

Is it possible to have a POD moved from Sydney and stored at Brisbane, to be then emptied by a removalist for further moving up to Townsville? Or would we need to access and empty the POD personally?

Thanks

Hi Jodie, thank you for your enquiry, yes this is something that you can do, we would just need an email form you authorizing name of the company that will be unloading the POD for you. if you have any other questions please feel free to email sales@auspods.com.au. regards Elaine

At PODS we work hard to provide the best moving and storage solutions for our customers. We also work hard to support businesses, community groups and charities in their efforts to support communities across Sydney, Melbourne, Brisbane and Adelaide. Listed below are organisations that PODS are proud to support. If you think you'd like to get involved, click through to their websites and make contact.

For over 150 years, The Salvation Army has been the face of help and hope to individuals and families.

Every single week The Salvos provide over 100,000 meals for hungry people, 2000 beds for people experiencing homelessness and thousands of vouchers to individuals and families in crisis.

The Salvation Army offer more than 600 social programs and activity centres across Australia, providing diverse services to diverse communities; and PODS are proud to help The Salvos help their communities in any way we can.

[Click here](#) to read about The Salvation Army North Brisbane Church Christmas Appeal and how PODS helped .

Do you want to help? You can Volunteer or Donate. [Click here](#) for more information.

Located in Brisbane's South-Eastern Bayside suburb of Manly, the Royal Queensland Yacht Squadron is home to one of Queensland's oldest and most prestigious recreational sailing and cruising clubs.

The Squadron has a long history of supporting and encouraging sailing as a sport that has continued for over 130 years. Sailors at all levels come to RQYS to enjoy sailing on Moreton Bay, from beginners and juniors, to elite sailors competing with distinction in championships at International and Olympic events.

With an active sailing and social calendar the RQYS is a spectacular setting for events and functions.

Click here to find out how PODS helped solve a temporary, secure, weatherproof and low-impact event storage problem for RQYS.

Did you know that one in four of us identify as lonely? Rosies Friends on the Street has made it their mission to reach out to people who feel lonely, abandoned, socially isolated and marginalised within our communities. They do this by sharing friendship, creating a sense of belonging, daring to reach out together.

With 11 branches across Queensland, their army of 1200+ volunteers is dedicated to providing a sustained sense of belonging where ever they can. Their volunteers operate street vans, visit adult and youth prisons, provide support to people facing court, and run youth and student engagement programs. And they do all of this with private donations. Click here to make a donation or get involved with Rosies.

PODS is proud to be a partner with Rosies and support them in their outstanding work. Click here to find out how PODS help with onsite on demand storage.

The goal of Special Children's Christmas Parties is simple – to put smiles on these children's faces for at least one day of the year! Working closely with charities, schools, community groups and government organisations, Special Children's Christmas Parties personally invite children across Australia to what has become the biggest children's Christmas event in the country.

Individuals and businesses, big and small, support this organisation; from small local businesses to large corporate organisations and Local and State Governments. Without this ongoing support, these events would not be possible. PODS has helped store a 'party in a box' for the past ten years for the Brisbane and Sydney Special Children's Christmas Parties.

Click here to find out how PODS help with offsite Christmas Party storage needs.

Red Frogs is committed to 'safeguarding a generation' through support and education. Red Frogs Chaplaincy Network began in Australia at Schoolies Week in 1997 and moved in to the university culture in 2002. Recognizing that the culture of young people is dominated by alcohol and that excessive consumption of alcohol and other substances can lead to dangerous and life altering behaviours, Red Frogs have made it their

Website: www.auspods.com.au

mission to provide a positive peer presence in alcohol-fuelled environments where young people gather through engaging education and promoting and providing non-alcoholic and/or diversionary activities.

Click here to find out how PODS helped Red Frogs store enough party food and pancake mix to safely sustain a new generation of students heading into university with 70 parties over 7 days.

Australian Partners of Defence (APOD) is an exclusive membership program for the Defence community that has been providing benefits and recognition to Defence families for over 5 years. Founded on a simple idea that serving your country should have its rewards, APOD was created to send a powerful message of support to veterans and their families. As the only discount membership program to be offered exclusively to military families in Australia, APOD's focus is on securing special savings and benefits that recognise the great contribution Defence families make to our country. APOD membership is open to current and former Defence personnel, veterans, contractors and their direct family members. For more information or to join APOD, please go to www.apod.com.au today.

PODS is proud to support APOD in their efforts to support the community who serves our country.

RENOVATING | SELLING | TRAVELLING | INSURANCE | STAGING | BUILDING | MOVING | DECEASED ESTATE

Selling your home is an exciting time, but it can also get pretty stressful. In between finding the perfect property for you, dealing with agents and managing home inspections, it's easy to get caught up.

Once it's all sorted, it's all too common to feel like you've having to rush through packing to get everything moved in time.

If this sounds a little too familiar, don't worry – with PODS, you can make the process easier than ever. We're an Australian storage company with a difference. Instead of rushing to get your belongings from A to B, we bring the storage to you.

We operate 3 different sizes of container, catered to homes of all shapes and sizes. So, whether you're moving from a 1-bedroom studio apartment or a 3-bedroom house, we've got the perfect solution for you.

Our team will deliver your storage container to your door, enabling you to pack at your own pace. Instead of rushing to get it all done in one day, you'll benefit from the flexibility of having your storage container outside your door, ready to be used as and when you need it.

With this added control, you'll be able to take all the time you need to get your belongings safely into storage. Once you're ready, let us know and your PODS driver will deliver your storage container to your new home, ready for you to unload your items.

Plus, we understand that selling your house can be difficult to predict, so if there is a delay in moving into your new home, we'll pick up the storage container and bring it back to our local, secure Storage Centre for you.

Get the flexibility you need at an affordable price. Contact our team for your free, no-obligation quote today.

So you're moving interstate (and you're overwhelmed!). Well, you're not alone. An estimated 340,000 people move interstate each year in Australia. But of that number do you know who are the most successful movers? You guessed it – the ones who plan and prepare. Of course, this doesn't guarantee a smooth process. But if you [...]

Moving furniture interstate in Australia can be a real hassle, particularly if you are on a budget, or have limited time. Families especially have a harder time moving because they have a whole household full of furniture and appliances to pack and unpack. Professional movers can do all the packing for you, but they can [...]

Congratulations ... you're having a baby! So much to celebrate and so much to think about. Do you need to sell your home and move to a bigger home? Do you want to move closer to family for some extra support? Do you need a new car to fit your growing family? Exciting times

Planning your next move? Moving containers offer a flexible and affordable alternative to the traditional removalist service. Moving containers give you the time to pack at your own pace and to your own standards. You can also take advantage of long and short-term storage if its needed. Lets have a look at how using moving [...]

It happens all the time, the house sells and the new buyer wants in immediately. While on one hand it's obviously a big relief not to have to worry about selling your old house anymore, there's plenty left to do. That's because selling your home is, of course, just part of the equation. It's now [...]

There's no doubt I'm guilty of hanging onto things, from souvenirs I pick up on trips to that old comfy chair that's seen better days. If you're anything like me you know you just can't part with these things, even when it's time to move on. That's why now is the right time to start [...]

I've seen them from time to time and I'm sure you have too: those "for sale" signs that seem to stand the test of time, only to be topped off by new signs that say things like "price reduced." It's by far the fear that most homeowners worry about the most, yet one that rings [...]

Times are tough for new home buyers. It's well documented that it has never been more difficult to purchase your first property in Australia than it is right now. House prices are getting to the point where the old Gold

Website: www.auspods.com.au

Lotto jingle, “Wouldn’t it be nice to win a million” doesn’t have quite the same [...]

Taking a loss can sometimes be a very good thing in the world of property investment. Even though it seems to defy logic, many Australians are making money from losses on investment properties by employing a strategy called negative gearing.

RENOVATING | SELLING | TRAVELLING | INSURANCE | STAGING | BUILDING | MOVING | DECEASED ESTATE

Renovating your property can be a stressful process, especially if you're pressed for time and space. However, it doesn't have to be this way. With PODS, you can free-up the space you need to make your renovation easier than ever.

We're a storage company with a twist. We don't just offer storage containers – we deliver them straight to your door. Our mobile storage solution saves you time and gives you the flexibility to pack on your own terms, without the pressure of a deadline to worry about.

Our process is simple. Let us know when you need your container and a member of the PODS team will deliver it to your address, letting you pack at your own pace to create the space you need. With your own unique padlock you can be sure your items are kept securely onsite.

From here, you can either keep your container at your address or choose to have it stored at our secure Storage Centre. Once your renovations are complete and your property is fully spruced-up, let us know and we'll drop it back to you.

Additionally, we offer 3 different storage container sizes. So, no matter how big or small your renovations are going to be, you can rest assured that we've got you covered.

For creating space during renovations and refurbishments, PODS is the ideal solution to help you cut down on stress and take control of the packing process. Choose mobile storage that's convenient, flexible and affordable. Get in touch with our team today for your free, no-obligation quote.

PCYC Lang Park is opening a new 24/7 contemporary gymnasium in their Suncorp Stadium home next month. The new facility will nearly double the size of their current gymnasium capacity.

Plan Your Move or Storage with PODS

Delivered To Your Door

Get your move off on the right foot with a PODS container dropped at your door and ready to be loaded.

Pack At Your Own Pace

Take your time to load the PODS container the way you want... or if you prefer, get our packing professionals to take care of everything.

Pick Em Up, Move Em Out

One of our drivers picks up your PODS container and takes it to wherever you're going, locally or interstate.

Choose Your Storage Container

Need to store a little... or a lot? Find the PODS container (or two... or more)

that's big enough for everything you want to store away.

On-Site Or At Home?

Want easy access to your goods or prefer to store it until you're ready? You can keep your storage container on-site or store it safely in our storage centre.

Ship It Out

If you're storing your PODS container at a secure storage centre, we pick it up and look after your items until you need them back.

Pack It In Your POD

You get the PODS container dropped off in your driveway (or wherever you need it) to load up everything you want to store.

Store It Where You Need It

Website: www.auspods.com.au

You choose whether to store your items on-site or use our secure storage centre. Either way, you can store for as long as you like.

Ready To Move On Your Mark

When you give the word, we whisk your PODS container wherever you want, so you can then unpack at your leisure.

PODS Australia containers are built to handle any move or storage you've got planned.

With three sizes available, you can choose the container right for you or mix and match to make sure nothing gets missed.

What Our Preferred Packing Partners Do

We have all heard horror story after horror story of questionable removalist companies doing questionable jobs. Whether they broke a priceless vase, lost a family heirloom or scratched up a brand-new velvet couch,

choosing the right packing and loading service is crucial to a stress-free move. PODS makes it easy to guarantee you perfect pack every time with our PODS Preferred Packing Partners. We can connect you to the best in the biz when it comes to packing and loading, so you can rest assured that your PODS container is packed by the experts.

A recent ING survey showed that over half of Aussie movers were frustrated with the process of moving, with over a quarter of these saying that broken items were what got them riled up the most. At PODS, we've heard your concerns and we've listened! Along with our patented PODZILLA system to keep your belongings levelled and safe, our list of Preferred Packing Partners makes it easier than ever to leave it to the experts.

How to Use Our Preferred Packing Partners

When you're getting ready to move house, your focus is on a myriad of other things — as it should be. Whatever the circumstances, it's likely the actual process of moving is far from the forefront of your mind. PODS containers take the stress out of getting your belongings from A to B, but now we can help you through every single stage of the process. We'll help get your belongings from their carefully positioned spot atop the kitchen shelf in your old home, to their perfect spot on the kitchen shelf in your new home. Now that's what we call packing perfection!

Why AusPODS Preferred Packing Partners are Right For You

The average Australian will move to a new house multiple times in their life. Within a five-year period, a whopping 84 percent of renters will relocate, and for homeowners, that figure still sits at nearly half (43 percent). Despite all this moving, finding a good quality removalist is tricky. At PODS, we've reviewed dozens of removalists that are ready to lend a helping hand regardless of whether you're moving across the street or even interstate!

By skipping the packing and opting for one of our Preferred Packing Partners instead, and having them fill your PODS container for you, all that's left for you to do is put your feet up and start enjoying your new abode.

1800 467 637

When It Comes To Comparing Self Storage,

We Stack Up

Whether you're moving locally, interstate or just storing some stuff, we know you've got a lot of choices. Comparing self storage providers isn't easy, especially when most of them boast about the same things. That's why we created this comparison table to help you work out which one's best for your situation.

Secure your PODS® container with your own lock and key so you (and only you) control access to your things.

If you need more time before your things arrive, store them in one of our secure facilities for as long as you want.

A PODS® container is perfect for you. Designed for partial household loads, each container has eyehooks so you can tie down and secure your load.

Here's a few more reasons why thousands choose PODS when they need to move...

Expert advice, free of charge

Not sure about which PODS® container size (or how many containers) you need to move all your stuff? Get a PODS storage expert out to your place to give you their professional opinion for FREE. Oh, and did we say you'll never pay for anything you don't need or use?

Storage without the sticker shock

When you compare quotes, PODS might seem more expensive at first. But take a closer look at the fine print. Not all competitors are 100% up-front about how much it's really going to cost you. Details like container size, billing, redelivery, and container storage, can all add up, leaving you with a nasty "bump" on the final bill. With PODS, what you see is what you pay, and not a dollar more... ever.

Wave ta-ta to tilting tragedies

You've heard the horror stories about smashed vases or damaged furniture when a storage box tilted while loading or unloading. If you can't afford to take the risk, go with PODS. Instead of a tilt tray system, we use PODZILLA™: a level-loading system that keeps your PODS® container balanced and stops things dangerously sliding around.

Very good service, a great experience. Accounts were issued on time, customer service was excellent especially by Lisa. Access was easy to arrange and always on time.

Wendy on the phone was lovely - took time to explain & listened to questions. Knowledgeable on products too, quote was accurate. Both drivers very nice as well, in particular drop off one, genuinely friendly, made it much less stressful, thanks team.

The staff that I spoke with were excellent and assisted in every way possible. Specifically, Renae was very helpful and made the process easy for me. Graham and David were also fantastic and did everything they could to assist with delivery.

When you need self storage or help moving, the choice is clear.

INTRODUCTION

Welcome to the website of AUSPODS Holding Pty Ltd and PODS ENTERPRISES, LLC (“PODS”, “we” or “us”). The following terms and conditions (together with any documents referred to in them) (collectively, these “Terms of Use”) apply to your use, whether as a guest or a registered user, of auspods.com.au and other websites of PODS or any of its affiliated or subsidiary companies where these Terms of Use are posted along with any content, functionality and services offered on or through such websites (collectively, the “Website”).

Please read the Terms of Use carefully before you start to use the site. By using the Website or by clicking to accept or agree to the Terms of Use when this option is made available to you, you accept and agree to be bound and abide by these Terms of Use and our Privacy Policy (found at www.auspods.com.au/privacy-policy) incorporated here by reference. If you do not want to agree to these Terms of Use or the Privacy Policy, you must exit the Website.

You acknowledge that the Terms of Use are supported by reasonable and valuable consideration, the receipt and adequacy of which are hereby acknowledged. Without limiting the generality of the foregoing, you acknowledge that such consideration includes your use of the Website and receipt of data, materials and information available at or through the Website.

CHANGES TO THE TERMS OF USE

We reserve the right to change or modify these Terms of Use or any policy or guideline of the Website, at any time and in our sole discretion. Any changes or modifications will be effective immediately upon posting the revisions to the Website, and you waive any right you may have to receive specific notice of such changes or modifications. Your continued use of the Website will confirm your acceptance of such changes or

modifications; therefore, you should frequently review these Terms of Use and applicable policies to understand the terms and conditions that apply to your use of our Website. If you do not agree to the amended terms, you must stop using the Website.

RESTRICTIONS ON USE

The contents from the Website may not be copied or distributed, or republished, uploaded, posted, or transmitted in any way, without the prior written consent of PODS EXCEPT: you may download one copy of the material on one computer for your personal, non-commercial home use only, provided you do not delete or change any copyright, trademark, or other proprietary notices. Modification or use of the materials for any other purpose violates PODS intellectual property rights. The material in this Website is provided for lawful purposes only. If you download software from our Website, the software, including all files, images, contained in or generated by the software, and accompanying data (together, the “Software”) are deemed to be licensed to you by PODS. Neither title nor intellectual property rights are transferred to you, but remain with PODS, who owns full and complete title. You may not resell, decompile, reverse engineer, disassemble, or otherwise convert the Software to a human perceivable form.

USER CONTRIBUTIONS

The Website may include interactive areas in which you or other users may create, post, send or store messages, materials, data, information, text, music, sound, photos, video, graphics, applications, tags, code, links or other items or materials on the Sites (“User Content”). By using the Website, you agree not to post, upload, transmit, distribute, store, create or otherwise publish through the Website any of the following:

PODS does not control, take responsibility for or assume liability for any User Content posted, stored or uploaded by you or any third party, or for any loss or damage thereto, nor is PODS liable for any user conduct or any mistakes, defamation, slander, libel, omissions, falsehoods, obscenity, pornography or profanity you may encounter. The interactive areas are generally designed as open and public community areas for connecting and sharing with other people. When you participate in these areas, you understand that certain information and content you choose to post may be displayed publicly. You are solely responsible for your

use of the Website and agree to use the interactive areas at your own risk.

MONITORING AND ENFORCEMENT; TERMINATION

PODS has the right to:

Without limiting the foregoing, we have the right to fully cooperate with any law enforcement authorities or court order requesting or directing us to disclose the identity of anyone posting any materials on or through the Website. YOU WAIVE AND HOLD HARMLESS THE COMPANY FROM ANY CLAIMS RESULTING FROM ANY ACTION TAKEN BY PODS DURING OR AS A RESULT OF ITS INVESTIGATIONS AND FROM ANY ACTIONS TAKEN AS A CONSEQUENCE OF INVESTIGATIONS BY EITHER PODS OR LAW ENFORCEMENT AUTHORITIES.

However, we do not undertake to review all material before it is posted on the Website, and cannot ensure prompt removal of objectionable material after it has been posted. These Terms of Use do not create any private right of action on the part of any third party or any reasonable expectation or promise that the Website will not contain any content that is prohibited by these Terms of Use. Accordingly, we assume no liability for any action or inaction regarding transmissions, communications or content provided by any user or third party. We have no liability or responsibility to anyone for performance or nonperformance of the activities described in this paragraph.

LICENSE TO USER CONTENT

You represent and warrant that your User Content is not subject to any confidentiality obligations and that you own and control all of the rights to the User Content or otherwise have the right to grant the rights to PODS that you grant herein. PODS claims no ownership or control over any User Content, except as otherwise provided herein, on the Website or in a separate agreement. However, by submitting or posting User Content on the Website, you grant PODS and its designees a worldwide, perpetual, irrevocable, non-exclusive, fully-paid up and royalty free license to use, sell, reproduce, prepare derivative works, combine with other works, alter, translate, distribute copies, display, perform, publish, license or sub-license the User Content and your name and likeness in connection with such use of your User Content. By posting User Content, you

hereby release PODS and its agents and employees from any claims that such use, as authorized above, violates any of your rights and you understand that you will not be entitled to any compensation for any use of your User Content.

SUBMISSION OF IDEAS

Separate and apart from the User Content you provide, you can submit questions, comments, feedback, suggestions, ideas, plans, notes, drawings, original or creative materials or other information about PODS, the Website and our products and services (collectively, the “Ideas”). Ideas, whether posted to the Website or provided to PODS by email or otherwise are entirely voluntary, non-confidential, gratuitous and non-committal.

You hereby irrevocably assign and transfer to PODS all of your rights, title and interest, on a worldwide basis, including without limitation, all intellectual property rights and moral rights, in and to such Ideas. Accordingly, PODS shall own exclusive rights, including all intellectual property rights, and shall be entitled to the unrestricted use and dissemination of Ideas for any purpose, commercial or otherwise, without acknowledgment or compensation to you. To the extent the preceding assignment and transfer is ineffective, you grant PODS an exclusive, irrevocable, royalty-free, perpetual and fully sublicensable and transferable right to use, reproduce, modify, adapt, translate, distribute, publish, and create derivative works from any such Ideas submitted to PODS by you.

PODS will not be liable for any ideas for its business (including without limitation, product, or advertising ideas) and will not incur any liability as a result of any similarities that may appear in future PODS operations. Do not send us Ideas if you expect to be paid or want to continue to own or claim rights in them. We may have already had the same or similar idea and we do not want disputes.

To the extent any “moral rights,” “ancillary rights,” or similar rights in or to the Ideas exist and are not exclusively owned by PODS, you agree not to enforce any such rights as to us or our licensees, agents, representatives, and other authorized users, and you shall procure the same agreement not to enforce from any others who may possess such rights.

You hereby appoint us as your agent with full power to enter into and execute any document and/or do any act we may consider appropriate to confirm the grant of rights, consents, agreements, assignments and waivers set forth in these Terms of Use.

COPYRIGHT COMPLAINTS

We take claims of copyright infringement seriously. We will respond to notices of alleged copyright infringement that comply with applicable law. If you believe any materials accessible on or from this Website infringe your copyright, you may request removal of those materials (or access thereto) from the Website by submitting written notification to our Copyright Agent as set forth below.

PODS Enterprises, LLC

Attn: Marketing

Please see 17 U.S.C. §512(c)(3) for the requirements of a proper notification. You should note that if you knowingly misrepresent in your notification that the material or activity is infringing, you will be liable for any damages, including costs and attorneys' fees, incurred by us or the alleged infringer as the result of our relying upon such misrepresentation in removing or disabling access to the material or activity claimed to be infringing.

In accordance with the Digital Millennium Copyright Act and other applicable law, PODS has also adopted a policy of terminating, in appropriate circumstances and in our sole discretion, users who are deemed to be repeat infringers. PODS may also, in its sole discretion, limit access to the Website and/or terminate the accounts of any users who infringe any intellectual property rights of others, whether or not there is any repeat infringement.

LIMITATION OF LIABILITY

PODS will not be liable for any damages or injury caused by, including but not limited to, any failure of

performance, error, omission, interruption, defect, delay in operation of transmission, computer virus, or line failure. PODS will not be liable for any damages or injury, including but not limited to, special or consequential damages that result from the use of, or the inability to use, the materials in this Website, even if there is negligence or PODS or an authorized PODS representative has been advised of the possibility of such damages, or both. The above limitation or exclusion may not apply to you to the extent that applicable law may not allow the limitation or exclusion of liability for incidental or consequential damages. PODS total liability to you for all losses, damages, and causes of action (in contract, tort (including without limitation, negligence), or otherwise) will not be greater than the amount you paid to PODS to access this Website, which in all cases should be \$0.

JURISDICTION

Except as described otherwise, all materials in the Website are made available only to provide information about PODS. PODS controls and operates the Website from its headquarters in Clearwater, FL, United States of America and makes no representation that these materials are appropriate or available for use in other locations. If you use the Website from other locations you are responsible for compliance with applicable local laws. Some software from the Website may be subject to export controls imposed by the United States and may not be downloaded or otherwise exported or re-exported: (a) into (or to a national or resident of) any country to which the U.S. has placed an embargo, including without limitation, Cuba, Iran, Iraq, Libya, North Korea, Syria, or Yugoslavia; (b) to everyone on the US Treasury Department's Specially Designated Nationals list, or (c) the US Commerce Department's Table of Denial Orders. If you download or use the Software, you represent and warrant that you are not located in, or under the control of, or a national or any such country or on any such list.

DISCLAIMER

The material in the Website could include technical inaccuracies or typographical errors. PODS may make changes or improvements at any time. THE MATERIALS IN THE WEBSITE ARE PROVIDED "AS IS" AND WITHOUT WARRANTIES OF ANY KIND EITHER EXPRESSED OR IMPLIED, TO THE

FULLEST EXTENT PERMISSIBLE PURSUANT TO APPLICABLE LAW. PODS DISCLAIMS ALL WARRANTIES OR MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE. PODS DOES NOT WARRANT THAT THE FUNCTIONS CONTAINED IN THE MATERIAL WILL BE UNINTERRUPTED OR ERROR-FREE, THAT DEFECTS WILL BE CORRECTED, OR THAT THE WEBSITE OR THE SERVER THAT MAKES IT AVAILABLE ARE FREE OF VIRUSES OR OTHER HARMFUL COMPONENTS. PODS DOES NOT WARRANT OR MAKE ANY REPRESENTATIONS REGARDING THE USE OF OR THE RESULT OF THE USE OF THE MATERIAL IN THE WEBSITE IN TERMS OF THEIR CORRECTNESS, ACCURACY, RELIABILITY, OR OTHERWISE. YOU (AND NOT PODS) ASSUME THE ENTIRE COST OF ALL NECESSARY SERVICING, REPAIR OR CORRECTION. THE ABOVE EXCLUSION MAY NOT APPLY TO YOU, TO THE EXTENT THAT APPLICABLE LAW MAY NOT ALLOW THE EXCLUSION OF IMPLIED WARRANTIES.

The Website contains downloadable materials as well as links to external sites. PODS is not responsible for, and has no control over, the content of such downloadable materials or external sites. You understand that PODS cannot and does not guarantee or warrant that files or software of any kind, or from any source, available for downloading through the Website, will be free of infection or viruses, worms, Trojan Horses or other code or defects that manifest contaminating or destructive properties.

PODS is an equal opportunity employer committed to a diverse workforce. PODS franchisees each hire their own employees and establish their own terms and conditions of employment, which may differ from those described. To be considered for a posted job opportunity, you must submit an application. Solicited applications are active for 180 days, after which you must reapply.

GENERAL NOTICE

These Terms of Use will be governed and be interpreted pursuant to the laws of the State of Florida, United States of America, notwithstanding any principles of conflicts of law. Any legal action or proceeding relating to your access to, or use of the Website or these Terms of Use shall be instituted only in a state or federal court located in Hillsborough County, Florida. You and PODS agree to submit to the jurisdiction of, and agree that

venue is proper in, these courts in any such legal action or proceeding. If any part of these Terms of Use is unlawful, void, or unenforceable, that part will be deemed severable and will not affect the validity and enforceability of any remaining provisions. Possible evidence of use of the Website for illegal purposes will be provided to law enforcement authorities. This is the entire agreement between the parties relating to the use of the Website. PODS products and services are available in various parts of the world. However, the Website may describe products and services that are not available worldwide. The Website may be linked to other sites which are not maintained by PODS. PODS is not responsible for the content of those sites. The inclusion of any link to such sites does not imply endorsement by PODS of the sites.

TRADEMARK AND COPYRIGHT NOTICES

The Website contains many of the valuable trademarks and service marks owned and used by PODS throughout the world. These trademarks and service marks distinguish PODS's quality products and services. The content, arrangement and layout of the Site, including, but not limited to, the trademarks, service marks, package designs, text, and content, are proprietary and are protected from copying, imitation, communication, or simulation under domestic and international laws and are not to be reproduced, communicated, displayed, distributed, or transmitted without the express written permission of PODS.

The Website may also contain references to other company, brand and product names. These company, brand and product names are used herein for identification purposes only and may be the trademarks of their respective owners. The images of people or places displayed, forms, structures, and graphics displayed or found within the Website are either the property of, or used with permission by PODS. PODS may be, but is not necessarily sponsored by or affiliated with any of owners of the other company, brand and product name appearing on the Site, and makes no representations about them, their owners, their products or services.

The graphic images, buttons and text contained in the Website are the exclusive property of PODS, except where otherwise noted, and, except for personal use, may not be copied, distributed, or displayed, or reproduced or transmitted in any form or by any means, electronic, mechanical, photocopying, recording or otherwise, without the prior written permission of PODS.

Any unauthorized use of the materials, structure, sequence, arrangement, or design of the Website, or trademarks, service marks, or trade dress found within the Website may violate civil or criminal laws, including, but not limited to, copyright laws, trademark laws, the laws of privacy and publicity, and communications regulations and statutes. By visiting the Website the User does not acquire or obtain by implication or otherwise, any license or right to use or make additional copies of any materials or information displayed on the Website.

The following trademarks used herein are owned by PODS: PODS, Portable On Demand Storage, and PODZILLA. All other trademarks are the property of the respective trademark owners.

HYPER-LINKS NOTICE

The Website may link to sites not maintained or related to PODS. Hyper-text links are provided as a service to users and are not sponsored by or affiliated with this Website or PODS. PODS has not reviewed any or all of the sites hyper-linked to or from this web site and is not responsible for the content of any other sites. The links are to be accessed at the user's own risk, and PODS makes no representations or warranties about the content, completeness, or accuracy of these links or the sites hyper-linked to the Website. Further, PODS does not implicitly endorse third-party sites hyper-linked to the Website.

INDEMNIFICATION

You agree to defend, indemnify and hold harmless PODS, its affiliates, parents, subsidiaries, service providers and consultants, and each their respective directors, employees and agents, from and against any claims, damages, costs, liabilities and expenses (including, but not limited to, reasonable attorneys' fees for investigating and defending any actions or threatened actions) arising out of or related to (a) your use of the Website; (b) any User Content or Ideas you provide; (c) your violation of these Terms of Use; (d) your violation of any rights of another; or (e) your conduct in connection with the Website. You shall use your best efforts to cooperate with us in the defense of any claim. We reserve the right, at our own expense, to employ separate counsel and assume the exclusive defense and control of any matter otherwise subject to indemnification by you.

WAIVER

The delay or omission by either party to enforce or exercise any terms or right pursuant to these Terms of Use will not impair any such term or right nor be construed to be a waiver thereof and shall in no way affect the other party's right later to enforce it. Any waiver by either party of any covenants, conditions or agreements to be performed by the other party will not be construed to be a waiver of any succeeding breach thereof or any covenant, conditions or agreement herein contained.

FRANCHISE SALES

This information is not intended as an offer to sell, or the solicitation of an offer to buy, a franchise. It is for information purposes only. There are approximately 14 countries and 15 US states that regulate the offer and sale of franchises. The countries are Australia, Brazil, Canada (provinces of Alberta and Ontario), China, France, Indonesia, Italy, Japan, Malaysia, Mexico, Russia, South Africa, South Korea, Spain and the United States of America. The US states are California, Hawaii, Illinois, Indiana, Maryland, Michigan, Minnesota, New York, North Dakota, Oregon, Rhode Island, South Dakota, Virginia, Washington, and Wisconsin. If you are a resident of one of these states or countries, are receiving this message in one of these states or countries, or intend to operate a franchise in any of these states or countries, we will not offer you a franchise unless and until we have complied with any applicable pre-sale registration and/or disclosure requirements in the applicable jurisdiction.

This advertisement is not an offering of a franchise. In New York (USA), an offering of a franchise can only be made by a prospectus that has been previously filed and registered with the Department of Law of the State of New York. The application for registration of an offering prospectus or the acceptance and filing thereof by the Department of Law as required by the New York law does not constitute approval of the offering or the sale of such franchise by the Department of Law or the attorney general of New York.

Sydney is an iconic city. Home to the Opera House, Harbor Bridge and Bondi Beach, it steals the spotlight in Australia. However, being home to such iconic destinations comes with a hefty price tag and Sydney continues to hold the title of the most expensive city in Australia. However, don't let that title get you down, any Sydney-sider will tell you that the price tag is worth it. If you're thinking of making the move to Sydney, it's time to start your research.

If you are one of the brave ones moving up without any family or friends to help guide you on which suburbs to move to or where the best coffee is, start researching as much as possible. Websites like Time Out, The Urban List and the official Sydney Tourism website can help you know the lay of the land.

Instead of diving straight into a long-term lease or buying property in a suburb you know nothing about, opt for a month-to-month rental to start so that you can get to know the area. As you'll find out, the northern beaches of Sydney are a lot different from Manly. Take the time to assess your new area and see how it fits into your daily life.

We bring you a PODS container, available in 3 convenient sizes and place it at ground level ready for easy packing and loading.

Pack at your own pace, or let our professional packers do all the work...

We'll pickup and move your container across town or interstate.

Or, we can store your container in one of our secure storage centres. Or store onsite at your premises.

At PODS, our Customer Care Representatives offer more than taking your order. They listen to your moving and storage needs, and make recommendations on how the process can be handled in the most efficient manner possible. They are there to deliver you peace of mind and ensure your journey with PODS is enjoyable.

Our scheduling technology permits flexible delivery and pick-up day based on your moving requirements. This means you can load and unload at your own pace.

All of our PODS storage containers are weather-resistant. In fact, the construction has been designed to withstand 178 kph winds when partially filled. Each PODS container has only one key to open the door which belongs to you as the owner of the PODS container.

All of our Storage Centres including our Sydney Storage facility feature a sophisticated security system to give you 24-hour peace of mind. The PODS delivery trucks are also equipped with a patented lift system that minimises the shift of your belongings while in transit.

For extra peace of mind, check out our Contents Protection Cover for your stored items in our Sydney storage facility.

We know everyone has different storage needs, which is why we offer 3 different sized containers. Whether you're looking for long-term or short-term storage, you can choose the best one to accommodate your individual needs. Whether you've got a big house with lots of things to pack away or just a small unit to move, we have considered these scenarios to give you three sizes and price ranges.

No one has access to your belongings except you. At PODS, we give you control of your belongings and the whole process. We're just there to support you and make the process as convenient as possible!

Feel free to browse any of the following resources to help you move easier.

Looking for more information about PODS or our mobile storage solutions in Sydney? Feel free to browse our Storage FAQs or give one of our friendly PODS customer care representatives a call on 1800 467 637.

Saturday: 8:00am-12:00pm

Sunday: Closed

Access is available to our Sydney Storage Centre typically within 24 to 48 hours, 6 days per week. Please contact our Customer Care team to schedule an access time.

Monday-Thursday: 7:00am–7:00pm

Friday: 7:00am–5:00pm

Whether you're moving house, going travelling or simply need a little extra space, long-term storage can be a great way to gain some all-important added flexibility

Good packaging takes planning, and if you want to keep your move smooth, you need to plan your materials.

Here's the hard truth – office relocation isn't always an easy task. If getting the desks, chairs and everything through the doors in the first place was a struggle, we're willing to bet you're not thrilled by the idea of doing everything in reverse.

Moving fragile items? You need to pack them properly!

Did you know that the energy used in an average home move is enough to power an LED light bulb full-time for over a year?

Store and transfer assets and inventory without having to coordinate with separate fleet and storage rentals.

Simplify inventory management and capitalise on seasonal revenue opportunities with a flexible solution that provides short- and long-term storage options.

In the rapidly evolving economy, maximising revenue has never been so critical for brick-and-mortar retailers. By allowing you to store and transfer merchandise with ease, PODS storage solutions can help you capitalise on revenue opportunities year-round.

Open new stores more quickly while ensuring brand standards are fulfilled at every location with our portable storage solutions.

Whether you're opening a second location or a dozen more, an effective logistics solution is key.

PODS containers allow retailers to store stock, merchandise and more either onsite at the store's new location or offsite at a secure PODS storage centre. The result is a streamlined new store rollout.

Store and transfer assets and inventory without having to coordinate with separate fleet and storage rentals.

Managing multiple locations is no easy task. Simplify the process with PODS portable storage solutions. Our containers can help you store and transfer assets and inventory more efficiently, eliminating the need to coordinate with separate fleet and storage rentals.

Our sturdy, weather-resistant PODS containers offer year-round protection of your assets. Providing moving and storage centres from Adelaide to Brisbane, we can provide a delivery service to many areas in and around Sydney, Melbourne, Brisbane and Adelaide.

PODS® containers are made of steel frame construction with a water-resistant seal and can withstand winds up to 170km per hour when partially filled.

With 3 different storage container sizes to choose from, we can help with the smallest or largest retail moving and storage situation.

Storage That

Fits Your Needs

Whether you're moving, selling, renovating or even travelling PODs is the perfect storage solution for you. PODS storage container is delivered directly to your door, you can pack your belongings at your own pace on your own timeline! Or PODs can send over their packing professionals to do all of the heavy lifting!

PODS storage containers can be stored onsite at your location for accessibility and convenience or they can be stored in our secure local Storage Centre. If you want to store at our Storage Centre, all you have to do is call the PODs team to come and pick up the container!

Storage That Fits Your Needs And Your Schedule

Why Choose PODS

With PODS, you don't have to worry about juggling multiple suppliers. Here, you can pack, move and store everything you need with just one point of contact. Simply select a storage container and drop-off date, pack and let us know when you're done.

If you need your belongings taken directly to your new property, we'll drive your container straight here. If you need them stored for a while, no problem - we've got you covered there too.

We know moving house is stressful and the last thing you need is another deadline.

That's why, when you rent a PODS container, you're not restricted by deadlines. No pressure, no late fees – just complete flexibility. Whether you need a container for a few days or are after a secure storage solution for a few months whilst you wait for the keys to your new property, PODS is the answer.

Focus on the packing, then put your feet up – we'll handle the rest. Our friendly, experienced and

fully-certified drivers will collect your container and take it from A to B, helping you to save time and cut out expensive petrol and truck rental costs.

Say goodbye to smashed vases and dented furniture. Unlike traditional storage and moving companies, PODS utilises a secure level-loading system which stops your items from tilting in transit, ensuring they arrive in the same condition they were packed in.

Need a local storage solution? Short term or long term. Onsite or offsite. PODS offers a flexible and secure storage solution that reduces the stress and hassle of storage.

The flexibility and convenience of PODS storage containers means we deliver a self-storage solution to you, to pack and store at your own pace, and store for as long as you need to.

Whether you are organising a festival, concert or marathon, PODS has a temporary mobile storage solution for your next event for both short- and long-term periods.

Why Do You Need Storage?

Renovating your property can be a stressful process, especially if you're pressed for time and space. However, it doesn't have to be this way. With PODS, you can free-up the space you need to make your renovation easier than ever!

Find out more

Selling your home is an exciting time, but it can also get pretty stressful. In between finding the perfect property for you, dealing with agents and managing home inspections, it's easy to get caught up.

Find out more

With so much of the world to see, you shouldn't let yourself get tied down. Sadly, with rent, mortgages and all of the personal belongings you've got in your property, it's all too easy to put travelling off.

Find out more

When disaster strikes within your home, you're going to have a lot on your hands. If you throw keeping your belongings safe into the mix, the list for getting everything back to normal might seem endless.

Find out more

Getting your house ready for sale can be a stressful process, especially if you're short on time and space. With so much to do in such little time, staging your home might feel like an endless battle, shuffling items from one room to the next in an attempt to get ready to host budding property hunters.

Storage FAQs

Virtually anything – as long as it's legal and sensible.

Our customers frequently use their personal storage units for:

You can schedule access to your container by contacting our customer service department. Access is available to our Storage Centre locations typically within 24 to 48 hours, 6 days per week. There is no additional charge for this service. PODS internal container access can vary by location.

Prices vary depending on what you are looking for and how much inventory you have. Some facilities might also charge different prices depending on states and distance from the CBD. PODS offer practical storage

from just \$155 per month. You can also request a quote online in just a few minutes to get pricing that's tailored to you.

With PODS you can either leave your storage container on-site at your location or we can store it in one of our secure local Storage Centres in Sydney, Melbourne, Brisbane and Adelaide.

Your container can be stored at a Storage Centre for as long as you need – from a couple days to a couple years!

PODS containers come in 3 sizes – Small, Medium and Large. The amount of space needed can vary based on the amount and size of furnishings in your home and the additional goods stored in your garage, wardrobes and sheds. Use our Space Calculator to find out which container size best suits you.

In order to protect not only your belongings, but also the storage facility staff and the facility itself, some items are prohibited from being stored. You cannot store:

Discover more things you shouldn't store in a self-storage container [here](#).

Only you have the key to your PODS container. PODS Storage Centres feature sophisticated security systems. PODS delivery trucks are equipped with a patented lift system that minimizes the shift of contents while in transit. PODS offers a content protection cover.

Very good service, a great experience. Accounts were issued on time, customer service was excellent especially by Lisa. Access was easy to arrange and always on time.

Wendy on the phone was lovely - took time to explain & listened to questions. Knowledgeable on products too, quote was accurate. Both drivers very nice as well, in particular drop off one, genuinely friendly, made it much less stressful, thanks team.

The staff that I spoke with were excellent and assisted in every way possible. Specifically, Renae was very helpful and made the process easy for me. Graham and David were also fantastic and did everything they could to assist with delivery.

PODS moving containers makes moving and storage easy! Whether you've got a big house with lots of stuff to pack away or a small unit to move, we can manage the lot.

We deliver the PODS moving container right to your address. You load it at your leisure or we can refer a team of professional packers to load it for you. When you are ready, we will pick up your container and deliver it to your desired location.

PODS moving and storage containers offer ground level loading. There is no need to use heavy loading ramps which alleviates excessive lifting. Once your PODS container is loaded, it can be delivered directly to your new address or we can store it between moves in one of our secure Storage Centres.

PODS containers come in 3 sizes and can be delivered across town, or interstate.

Furnished rooms: 3 bedroom house^

PODS containers are made of a steel frame with specially designed, aluminum skin panels with a light-weight steel roll up door. They can hold a lot of stuff.

When you've packed your container, only you have the key, giving you piece of mind knowing that your belongings are safe and sound.

PODS delivery trucks are equipped with a patented hydraulic lift system, PODZILLA, that minimises shifting of contents. PODS Storage Centres feature sophisticated security systems to ensure your belongings are always protected; and you'll find out Storage Centres in Sydney, Melbourne, Brisbane and Adelaide.

Whether you're moving across town, interstate, or into storage, choosing PODS as your moving company will make the experience better than it has ever been. Imagine packing at your own pace. On your time-table. To your standards. Then leave the driving to someone else—and leave the hassles behind.

PODS moving service can help make your move easier!

^The amount of space needed can vary based on the amount and size of furnishings in your home and the additional goods stored in your garage, wardrobes and sheds. Please be sure to include all of your rooms when you talk with our Customer Service team or lodge our Get a Quote online form.

We just heard you need secure self storage. Our process is simple;

We bring you a PODS container, available in 3 convenient sizes and place it at ground level ready for easy packing and loading.

Pack at your own pace, or let our professional packers do all the work...

We'll pickup and move your container across town or interstate.

Or, we can store your container in one of our secure storage centres. Or store onsite at your premises.

From the moment you order your PODS container, one of our customer care representatives will commit themselves to ensuring your moving and storage needs are fulfilled. They will listen and make recommendations based on what you're after, and aim to deliver an experience that goes above and beyond.

Our PODS drivers will deliver your storage container adhering to the time you choose. From there, you have no deadlines or time pressure. We allow you to pack your PODS container at your own leisure. Every container rests at ground level so that means there are no ramps which makes unloading and loading a lot easier.

PODS storage containers are strong, secure and weather resistant. The roll up door is light-weight but durable to keep your belongings safe and secure. Each POD container comes with one key which will be given to you. When your container is on the move, the patented lift system installed in each of our delivery trucks will minimise the movement of your belongings while in transit.

To give you extra peace of mind, we have installed a sophisticated 24-hour security system at all of our storage centres including our Gold Coast storage facility to ensure your belongings are always safeguarded.

We have 3 different sized containers; small, medium and large. We have these different sizes to accommodate a range of moving and storage needs. Whether you've got a small unit or a family home, there will be a PODS storage solution for you. If you have a very big house, you may need to get multiple containers. Don't worry about not having enough space on your driveway. Our scheduling technology permits flexible delivery and pick-up days.

The beauty about mobile storage with PODS is that you are in control. There is one key to each POD and that

key is yours. You choose when you want things to be delivered and taken away. As for us, we're just there to support you and make sure your journey with PODS is flexible, efficient and enjoyable!

We love to help our customers as much as possible. Whether it's choosing what to wear when you are moving, how to cope when things don't plan out or how to move awkward large items, we've got some great resources for you.

Monday-Friday: 8:00am–5:00pm

Saturday: 8:00am-12:00pm

Sunday: Closed

Access is available to our Gold Coast Storage Centre typically within 24 to 48 hours, 6 days per week. Please contact our Customer Care team to schedule an access time.

Monday-Thursday: 7:00am–7:00pm

Friday: 7:00am–5:00pm

Whether you're moving house, going travelling or simply need a little extra space, long-term storage can be a great way to gain some all-important added flexibility

Good packaging takes planning, and if you want to keep your move smooth, you need to plan your materials.

Here's the hard truth – office relocation isn't always an easy task. If getting the desks, chairs and everything through the doors in the first place was a struggle, we're willing to bet you're not thrilled by the idea of doing everything in reverse.

Moving fragile items? You need to pack them properly!

Did you know that the energy used in an average home move is enough to power an LED light bulb full-time for over a year?

*Delivery charges not included.

Many contractors have made the smart decision to partner with PODS to help increase construction site efficiency, manage costs more effectively, and reduce the risk of damage and theft.

PODS tailors a flexible, scalable portable storage solution that aligns with the goals of your construction project – and can be changed as your project changes.

Reduce the risk of theft, vandalism, and damage by the elements with PODS' sturdy, weather-resistant containers.

Easily manage multiple subcontractors with portable storage solutions that provide them with everything they need from start to finish.

PODS tailors a flexible, scalable portable storage solution that aligns with the goals of your construction project – and can be changed as your project changes.

Reduce the risk of theft, vandalism, and damage by the elements with PODS' sturdy, weather-resistant containers.

Easily manage multiple subcontractors with portable storage solutions that provide them with everything they need from start to finish.

PODS tailors a flexible, scalable portable storage solution that aligns with your construction project, and can be changed as your project changes.

Rarely does a job go exactly as planned, putting you at risk for missing deadlines or going off-budget. That's why staying flexible is critical.

PODS tailors a customised solution that aligns with the goals of your project. So even in the face of the unexpected, you can avoid costly delays by ensuring your tools and materials are organised and ready for use when and where you need them.

You can utilize PODS containers in a number of ways, including:

Reduce the risk of theft, vandalism, and damage by the elements with a PODS sturdy, weather-resistant container.

Theft and damage of jobsite assets can set your project back considerably and cut into profits. High prices for construction equipment and materials have made theft a growing concern among construction professionals.

PODS' steel-framed, weather-resistant containers have been determined to withstand wind velocities of up to 170km/h when partially loaded. They are specially designed to reduce the risk of moisture-related damage caused by condensation and mold.

With all PODS containers, whether stored at your jobsite or in one of our secure Storage Centres, you own the lock and key, so your container's contents are only accessible to people you give the key/s to.

PODS provides flexible, immediate solutions to restoration contractors, insurance carriers and emergency response agencies. With flexible solutions, fast logistic support and secure storage, PODS containers can expand storage capacity for short- and long-term periods in a secure environment.

Easily manage multiple contractors and subcontractors with portable storage solutions that provide them with everything they need from start to finish.

Managing multiple contractors has its challenges, but keeping them on schedule and on budget is vital to production. Coordinate contractors' workflow with the help of PODS portable storage containers.

Our sturdy, weather-resistant PODS containers offer year-round protection of your assets. Providing moving and storage centres from Adelaide to Brisbane, we can provide a delivery service to many areas in and around Sydney, Melbourne, Brisbane and Adelaide.

PODS® containers are made of steel frame construction with a water-resistant seal and can withstand winds up to 170km per hour when partially filled.

With 3 different storage container sizes to choose from, we can help with the smallest or largest moving and storage situation.

Contents Protection Cover must be applied to your account at the time of making your container booking. Please refer below for Contents Protection Cover pricing.

This Addendum to the Rental Agreement by and between Lessor and/or Lessor's Agents, and the Tenant establishes and clarifies the contractual liabilities of each party with respect to damage to Tenant's property ("Contents") while in the possession, care custody or control of Lessor. Capitalized terms not otherwise defined herein shall have the meanings as defined in the Rental Agreement. All other capitalized not otherwise defined in the Rental Agreement shall have meanings consistent with definitions commonly found in the insurance industry.

By initialing below, Tenant agrees with Lessor as to their respective duties, obligations and liabilities with respect to preservation and protection of the Contents in the possession or care, custody and control of Lessor and damages arising from certain events:

Please read this entire document carefully as Lessor will not be responsible for damage to certain types of property nor for damage resulting from specified events. Liability shall not exceed the replacement cost of the Contents as defined herein. Non-payment of fees will result in the immediate termination of this Addendum and negate any obligation or liability being assumed by Lessor under this Addendum including this insurance.

AUSPODS Holding Pty Ltd does not allow motor vehicles of any kind to be packed in to the container.

The client will be liable for any damages as a result of Failure to comply with this restriction to either AUSPODS Holding Pty Ltd or any other Third Parties.

DEFINED EVENTS COVER - Loss of or damage to the Insured Property directly caused by any of the following events: Fire, hail, explosion, lightning or flood, Collision of the conveyance carrying the Insured Property with an external object, Collision of the Insured Property while on a land conveyance carrying it with

something not on or overturning, jackknifing or derailment of the land conveyance carrying the Insured Property part of that conveyance

REPRESENTATIONS, WARRANTIES AND DUTY TO INSURE: As limited herein, Lessor: (1) warrants its professional services rendered and the goodness and fitness of the Container (resistant to damage from perils such as fire, lightning, wind, hail, smoke, weight of ice, snow or sleet, falling objects); (2) assumes responsibility for protecting and preserving all Contents other than specific excluded property ("Covered Property") in its possession or care, custody or control from certain losses and shall be liable for loss to Covered Property in excess of a \$2,000 deductible for damage caused by Named Storms (as assigned by the World Meteorological Organization) and \$500 for all other specified events; and (3) assumes responsibility for purchasing such insurance as Lessor deems necessary to insure or financially back these obligations. Lessor shall only be responsible for damages occurring during such period(s) for which the Tenant has paid Lessor all required rental, transport, storage and/or service fees due.

COVERAGE PERIOD: Coverage commences upon execution of the rental agreement or initial delivery of the first container and continues until the earlier of: the expiration or termination of the Rental Agreement; the date that the Container is returned to Lessor, or non-payment of monthly fees.

COVERAGE TERRITORY: Lessor only covers loss occurring in Australia. Coverage extends while the Container is on Tenant's departure or arrival destinations, in the course of transit, or warehoused at Lessor's Facility.

PROPERTY NOT COVERED: Notwithstanding any other provision in this Addendum to the contrary, Lessor does not assume any liability for loss or damage to the following types of personal property: money, bank notes, scrip, securities, accounts, deeds and evidences of debt; letters of credit and notes other than bank notes; bullion, gold, goldware, silver, silverware, platinum, coins, precious medals and pewter; stored value cards and smart cards; manuscripts, personal records, passports, tickets and stamps; jewelry, watches, furs, precious and semiprecious stones, firearms; animals, birds and fish; aircraft, hovercraft, motor vehicles and engines, trailers; property not owned by Tenant or for which Tenant is not legally liable; computer software or

programs, media or computer data contained on hard disks or drives.

COVERED CAUSE OF DAMAGE: Lessor will only pay for loss to covered property resulting from: Fire or Lightning; Windstorm or Hail (but not loss caused by rain, snow, sleet, sand or dust unless the direct force of wind or hail damages the Container causing an opening in a roof or wall and the rain, snow, sleet, sand or dust enters through this opening); Explosion; Riot or Civil Commotion; Aircraft or Vehicles; Smoke; Vandalism and Malicious Mischief; Weight of Ice, Snow or Sleet; Accidental Discharge or Overflow of Water or Steam from plumbing, heating, air conditioning or automatic fire protective sprinkler system; Falling Objects, but only if the roof or an outside wall of the Container is first damaged by the falling object; Burglary (excluding on-site storage customers) with evidence of forcible break in and entry; Collapse of the Container or of a building onto the Container, but only if the collapse was caused by a covered cause of loss; Federally Certified Acts of Terrorism (but not to include acts of chemical, biological and nuclear terrorism); Collision, upset or overturn while the Covered Property is in transit to or from a Facility or the tenant's designated location or at the tenant's origination or destination location; and any negligent acts by Lessor or Lessor's representatives in the handling of the Container.

EXCLUSIONS: Lessor does not assume liability for damage caused directly or indirectly by any of the following regardless of any other cause or event contributing concurrently or in any sequence to loss: (1) Damage caused by improper packing, normal shifting or intentional acts; (2) Ordinance or law regulating demolition, clean up or removal of pollutants; (3) Earth Movement, meaning: earthquake, land shock, waves or tremors; volcanic eruption; landslide, mudslide and mudflow including earth shrinking, rising or shifting; or earth sinking, sinkhole collapse, subsidence, rising or shifting including soil conditions which cause settling, cracking or other disarrangement of foundations or other parts of realty; Soil conditions include contraction, expansion, freezing, thawing, erosion, improperly compacted soil and the action of water under the ground surface; (4) Water Damage, meaning: flood, surface water, waves, tidal water, overflow of a body of water, or their spray, all whether driven by wind or not; or mudslide or mudflow; water or water-borne material which backs up from a sewer or drain or which overflows or is discharged from a sump, sump pump or related

equipment; or water or water-borne material under the ground surface, including water which exerts pressure on, flows, seeps or leaks through a foundation, wall floor, ceiling, porch, sidewalk, driveway, swimming pool, paved surface, basement, door, window or other opening; (5) War, civil war, insurrection, military action, discharge of any biological or chemical agent or a nuclear weapon, nuclear reaction, radiation, or radioactive contamination; (6) Intentional Acts by or at Tenant's

direction with the intent to cause loss or damage; even if the person committing the act is insane, intoxicated or otherwise impaired; (7) Destruction, confiscation or seizure of property by order of any governmental or public authority; (8) Presence, growth, proliferation or spread of mold, fungus, wet rot, mildew, bacteria, rust, corrosion, dampness, dryness, contamination, spoilage, decay or any expense for testing, monitoring, abatement, mitigation, removal, remediation, restoration, neutralization, detoxification or disposal of such; (9) Wear and Tear, marring and scratching, deterioration, hidden or latent defect; nesting or infestation, or discharge or release of waste products or secretions, by insects, birds, rodents or other animals; (10) Chemical, biological and nuclear terrorism and acts other than Federally Certified Acts of Terrorism; (11) loss occurring prior to or after the Coverage Period; (12) loss occurring prior to or after termination of the Rental Agreement; (13) Burglary for on- site storage customers; and (14) Mechanical/Electrical derangement.

DUTIES IN THE EVENT OF LOSS: Tenant must see that the following actions are performed in the event of loss or damage to Covered Property: (1) Notify the police if a law may have been broken. (2) Provide Lessor notice of the loss or damage including a description of the property involved within 30 days from date of discovery, not to exceed 30 days from the final pick up date of the Container. (3) Provide Lessor or its Insurer a description of how, when and where the loss or damage occurred within 30 days from date of discovery, not to exceed 30 days from the final pick up date of the Container. (4) Take all reasonable steps to protect the Covered Property from further damage, and keep a record of expenses necessary to protect the Covered Property, for consideration in the settlement of the claim. This will not increase the Lessor's liability. Lessor will not be responsible for any subsequent loss or damage resulting from a cause of loss that is not a Covered Cause of Loss. Also, if feasible, set the damaged property aside and in the best possible order for examination.

(5) Tenant will not, except at Tenant's own cost, voluntarily make a payment, assume any obligation, or incur any expense without Lessor's consent. (6) As often as may be reasonably required, permit Lessor or its Insurer to inspect the property proving the loss or damage and examine Tenant's books and records. Also, permit Lessor or its Insurer to take samples of damaged and undamaged property for inspection, testing and analysis, and to make copies from Tenant's books and records. (7) Lessor or its Insurer may examine Tenant under oath, while not in the presence of any other Tenant and at such times as may be reasonably required, about any matter relating to the claimed loss, including Tenant's books and records. In the event of an examination, Tenant's answers must be signed. (8) Send a signed, sworn proof of loss containing the information requested to settle the claim. Tenant must do this within 60 days after such request. Lessor or its Insurer will supply Tenant with the necessary forms. (9) Immediately send copies of any demands, notices, summonses or legal papers received in connection with the claim or suit. (10) Cooperate in the investigation or settlement of the claim.

SETTLEMENT OPTIONS: Lessor's liability shall not exceed the lesser of the following amounts after deduction of any amounts paid by a third party, and less the applicable deductible: (1) the depreciated Replacement Cost; (2) Tenant's interest in the Covered Property; and (3) Limit of Coverage secured. The deductible per loss is:

\$500 except \$2,000 for Named Storms (i.e. name or number assigned by the World Meteorological Organization). If Tenant's Declared Value is less than ninety (90%) of the Replacement Cost, all loss settlement payments shall be reduced proportionately based upon the relationship that the Tenant's Declared Values bears to ninety (90%) of the Replacement Cost. If property is recovered for which Lessor or its Insurer have made payment, Lessor is to be notified of such recovery. At Lessor's option, Lessor may retain such property but there shall be no abandonment of property to Lessor. If there is damage to Covered Property caused by more than one loss, each loss shall be adjusted separately, and the applicable deductible amount shall be applied separately to each loss. At Lessor's option, Lessor may pay the loss in money, or may repair or replace the damaged or stolen Covered Property. In the event of a total loss, Lessor may require assignment

of title. In case of loss or damage to any part of a pair or set Lessor may: repair or replace any part to restore the pair or set to its value before the loss or damage; or pay the difference between the value of the pair or set before and after the loss or damage. In case of loss or damage to any part of Covered Property consisting of several parts when complete, Lessor will only pay for the value of the lost or damaged part. "Replacement Cost" means the cost of reasonably restoring that property to its condition immediately before loss or damage; or the cost of replacing that property with substantially identical property.

LOSS PAYMENT: Lessor or its Insurer will give written notice to Tenant of their evaluation of damages and liability within 30 days after receipt the sworn proof of loss. Lessor will not be liable for more than each party's financial interest in the Covered Property. Payment shall be made to Tenant as loss payee unless the Covered Property is identified as owned by others. Lessor or its Insurer will adjust losses with owners of lost or damaged property if other than Tenant. If payment is made to owners, such payment will satisfy all claims against Lessor and its Insurer for owners' property. Owners will not be paid more than their financial interest in the Covered Property. Lessor's Insurer may elect to defend Tenant against suits arising from claims of owners of property at the Insurer's expense. Payment for covered loss or damage shall be within 30 days after receipt of the sworn proof of loss if there has been compliance with all the terms of this Addendum and the parties have reached agreement on the amount of the loss; or an appraisal award has been made. Lessor will not be liable for any part of a loss that has been paid or made good by others.

APPRAISAL: Either party may request in writing an independent appraisal of the amount of loss in accordance with the terms of the protection cover.

RECOVERED PROPERTY: A party must give the other prompt notice if any property is recovered after loss settlement. At Tenant's option, property will be returned to Tenant. Tenant must then return to Lessor the amount paid for the property. Lessor will pay recovery expenses and the expenses to repair the recovered property, subject to the limits herein.

RIGHT TO RECOVER FROM OTHERS: If any person or organization to or for whom Lessor makes payment has rights to recover damages from another, those rights are transferred to Lessor to the extent of any

payment. That person or organization must do everything necessary to secure such rights and must do nothing after loss to impair them. Lessor shall not exercise right of recovery against Tenant or their insurers.

CONCEALMENT, MISREPRESENTATION OR FRAUD: Lessor is relieved from all responsibility and liability in any case of fraud, intentional concealment or misrepresentation of a material fact, at any time, concerning any claim or Tenant's interest in the Covered Property.

REASSUMING LIABILITY: With advance written notice, Tenant may reassume liability for damage to their Contents at any time. Tenant's non-payment of any shipping, storage, Container or service fees shall be considered a contractual breach immediately negating Lessor's responsibility and liability for damage to Contents. Lessor shall have the right to terminate this Addendum at any time, at Lessor's sole discretion, upon providing Tenant no less than 60 days advance written notice. Termination of this addendum shall not terminate the Rental Agreement.

LESSOR OBLIGATIONS INSURED: This document is not an insurance policy. The responsibilities and liability of Lessor are fully insured by an Inland Marine Transit, Cargo, Warehouse and Personal Property Floater Insurance. Under this Addendum, Lessor is not soliciting or selling insurance to Tenant. Lessor and Tenant are agreeing that the Lessor shall buy insurance protecting the interests and liabilities of both the Lessor and the Tenant. Tenant shall be Loss Payee for all claims and an Additional Insured under the policy where required by law.

TO REPORT DAMAGES: To report damages, please call the following toll free number: 1800 467 637. A representative will be available to assist Tenant between the hours of 8:00 am and 5:00 pm Eastern time. Otherwise, Tenant will have the option of leaving a detailed message to which Tenant can anticipate a response within 24-48 business hours.
