It was a fantastic moving experience. Couch was big and since it was assembled it became really tough to get it inside apartment door. But both were patient and kind enough to try multiple times and finally get it inside apartment.

Thanks for your hardwork.

Very professional. Arrived on time. Had packing supplies. Did not cause any damage to door etc. Took my couch to the dump.

Kept my new desk SO SAFE under wrapping and blankets, efficiently moved it from their vehicle on the street to the exact spot I wanted it in my home without ANY problems whatsoever. They were here for such a quick blip it was the easiest thing EVER. Very appreciated. Excellent work.

We originally hired a different Lugg team to do the job - they ran into some issues with completing the job but were not able to problem solve enough to finish it. Arturo and Andy were able to complete the job efficiently and very well. They were very thorough, courteous, and even asked if we needed any other things done/moved. We appreciated their commitment to getting the job done and had a wonderful experience!

engineer or disassemble the Services except as may be permitted by applicable
law; (iv) link to, mirror or frame any portion of the Services; (v) cause or

launch any programs or scripts for the purpose of scraping, indexing, surveying, or otherwise data mining any portion of the Services or unduly burdening or hindering the operation and/or functionality of any aspect of the Services; or (vi) attempt to gain unauthorized access to or impair any aspect of the Services or its related systems or networks.

The Services may be made available or accessed in connection with third-party services and content (including advertising) that Lugg does not control. You acknowledge that different terms of use and privacy policies may apply to your use of such third-party services and content. Lugg does not endorse such third party services and content and in no event shall Lugg be responsible or liable for any products or services of such third party providers. Additionally, Apple Inc., Google, Inc., Microsoft Corporation or BlackBerry Limited will be a third-party beneficiary to this contract if you access the Services using Applications developed for Apple iOS, Android, Microsoft Windows, or Blackberry-powered mobile devices, respectively. These third-party beneficiaries are not parties to this contract and are not responsible for the provision or support of the Services in any manner. Your access to the Services using these devices is subject to terms set forth in the applicable third-party beneficiary's terms of service.

The Services and all rights therein are and shall remain Lugg's property or the property of Lugg's licensors. Neither these Terms nor your use of the Services convey or grant to you any rights: (i) in or related to the Services except for the limited license granted above; or (ii) to use or reference in any manner Lugg's company names, logos, product and service names, trademarks or services marks or those of Lugg's licensor.

In order to use most aspects of the Services, you must register for and maintain an active customer Services account ("Account"). You must be at least 18 years of age, or the age of legal majority in your jurisdiction (if different than 18), to obtain an Account. Account registration requires you to submit to Lugg certain personal information, such as your name, address, mobile phone number and age, as well as at least one valid credit card. You agree to maintain accurate, complete, and up-to-date information in your Account. Your failure to maintain accurate, complete, and up-to-date Account information, including having an invalid or expired credit card on file, may result in your inability to access and use the Services or Lugg's termination of this Agreement with you. You are responsible for all activity that occurs under your Account, and, as such, you agree to maintain the security and secrecy of your Account username and password at all times. Unless otherwise permitted by Lugg in writing, you may only possess one Account.

The Service is not available for use by persons under the age of 18. You may not authorize third parties to use your Account, and you may not allow persons under the age of 18 to receive moving or logistics services from Third Party Providers unless they are accompanied by you. You may not assign or otherwise transfer your Account to any other person or entity. You agree to comply with all applicable laws when using the Services, and you may only use the Services for lawful purposes (e.g., no transport of unlawful or hazardous materials). You will not in your use of the Services cause nuisance, annoyance, inconvenience, or property damage, whether to the Third Party Provider or any other party. In certain instances Lugg may require you to provide proof of identity to access or use the Services, and you agree that you may be denied access or use of the

Services if you refuse to provide proof of identity.

The Lugg app was designed as a scheduling platform where customers looking for on-demand hauling and moving can seek independent drivers to provide such services, and drivers can seek persons looking for hauling and moving. Lugg does not permit customers to ride in the vehicle with a driver. Any driver who transports a customer during the transaction, is doing so completely under their own personal insurance and liability. This is not a service that Lugg provides.

This breaches your agreement with Lugg. Please use your best judgment and proceed with caution before getting in the vehicle with another person.

By creating an Account, you agree that the Services may send you informational text (SMS) messages as part of the normal business operation of your use of the Services. You acknowledge that opting out of receiving text (SMS) messages may impact your use of the Services.

Lugg may, in Lugg's sole discretion, create promotional codes that may be redeemed for Account credit or other features or benefits related to a Third Party Provider's services, subject to terms that Lugg establishes on a per promotional code basis ("Promo Codes"). You agree that Promo Codes: (i) must be used for the intended audience and purpose, and in a lawful manner; (ii) may not be duplicated, sold or transferred in any manner, or made available to the general public, unless expressly permitted by Lugg; (iii) may be disabled by Lugg at any time for any reason without liability to Lugg; (iv) may only be used pursuant to the specific terms that Lugg establish for such Promo Code; (v) are not valid for cash; and (vi) may expire prior to your use. Lugg reserves the right to withhold or deduct credits or other features or benefits obtained through the use of Promo Codes by you or any other customer in the event that

Lugg determines or believes that the use or redemption of the Promo Code was in error, fraudulent, illegal, or in violation of the applicable Promo Code terms or these Terms.

Lugg may, in Lugg's sole discretion, permit you from time to time to submit, upload, publish or otherwise make available to Lugg through the Services textual, audio, and/or visual content and information, including commentary and feedback related to the Services, initiation of support requests, and submission of entries for competitions and promotions ("User Content"). Any User Content provided by you remains your property. However, by providing User Content to Lugg, you grant Lugg a worldwide, perpetual, irrevocable, transferrable, royalty-free license, with the right to sublicense, to use, copy, modify, create derivative works of, distribute, publicly display, publicly perform, and otherwise exploit in any manner such User Content in all formats and distribution channels now known or hereafter devised (including in connection with the Services and Lugg's business and on third- party sites and services), without further notice to or consent from you, and without the requirement of payment to you or any other person or entity.

You represent and warrant that: (i) you either are the sole and exclusive owner of all User Content or you have all rights, licenses, consents and releases necessary to grant Lugg the license to the User Content as set forth above; and (ii) neither the User Content nor your submission, uploading, publishing or otherwise making available of such User Content nor Lugg's use of the User Content as permitted herein will infringe, misappropriate or violate a third party's intellectual property or proprietary rights, or rights of publicity or privacy, or result in the violation of any applicable law or regulation.

You agree to not provide User Content that is defamatory, libelous, hateful, violent, obscene, pornographic, unlawful, or otherwise offensive, as determined by Lugg in its sole discretion, whether or not such material may be protected by law. Lugg may, but shall not be obligated to, review, monitor, or remove User Content, at Lugg's sole discretion and at any time and for any reason, without notice to you.

You are responsible for obtaining the data network access necessary to use the Services. Your mobile network's data and messaging rates and fees may apply if you access or use the Services from a wireless-enabled device. You are responsible for acquiring and updating compatible hardware or devices necessary to access and use the Services and Applications and any updates thereto. Lugg does not guarantee that the Services, or any portion thereof, will function on any particular hardware or devices. In addition, the Services may be subject to malfunctions and delays inherent in the use of the Internet and electronic communications.

You understand that use of the Services may result in payments by you for the services you receive from a Third Party Provider ("Charges"). After you have received services obtained through your use of the Service, Lugg will facilitate payment of the applicable Charges on behalf of the Third Party Provider, as such Third Party Provider's limited payment collection agent, using the preferred payment method designated in your Account, and will send you a receipt by email. Payment of the Charges in such manner shall be considered the same as payment made directly by you to the Third Party Provider. Charges will be inclusive of applicable taxes where required by law. Charges paid by you are final and non-refundable, unless otherwise determined by Lugg. You retain the right to

request lower Charges from a Third Party Provider for services received by you from such Third Party Provider at the time you receive such services. Lugg will respond accordingly to any request from a Third Party Provider to modify the Charges for a particular service.

All Charges are due immediately and payment will be facilitated by Lugg using the preferred payment method designated in your Account. If your primary Account payment method is determined to be expired, invalid or otherwise not able to be charged, you agree that Lugg may, as the Third Party Provider's limited payment collection agent, use a secondary payment method in your Account, if available.

Lugg reserves the right to establish, remove and/or revise Charges for any or all aspects of the Services at any time in Lugg's sole discretion. Further, you acknowledge and agree that Charges applicable in certain geographical areas may increase substantially during times of high demand of the Services. Lugg will use reasonable efforts to inform you of Charges that may apply, provided that you will be responsible for Charges incurred under your Account regardless of your awareness of such Charges or the amounts thereof. Lugg may from time to time provide certain users with promotional offers and discounts that may result in different Charges for the same or similar Services, and you agree that such promotional offers and discounts, unless also made available to you, shall have no bearing on your use of the Services or the Charges applied to you. You may elect to cancel your request for Services from a Third Party Provider at any time prior to such Third Party Provider's arrival, in which case you may be charged a cancellation fee.

This payment structure is intended to fully compensate the Third Party Provider for the services provided. Lugg does not designate any portion of your payment

as a tip or gratuity to the Third Party Provider. You understand and agree that, while you are free to provide additional payment as a gratuity to any Third Party Provider who provides you with services obtained through the Service, you are under no obligation to do so. Gratuities are voluntary. After you have received services obtained through the Service, you will have the opportunity to rate your experience and leave additional feedback about your Third Party Provider. In the event you feel unwelcome pressure to provide a gratuity, you may factor that experience into the rating or additional feedback you give.

If an item or something that belongs to you is damaged during the extent of a Lugg request, Lugg is in no way responsible or accountable for covering those damages. However, you can submit a claim to

support@lugg.com and it can go through the claims

process. The claims process may include communication with the Moving Provider in order to settle any disputes.

THE SERVICES ARE PROVIDED "AS IS" AND "AS AVAILABLE." LUGG DISCLAIMS ALL REPRESENTATIONS AND WARRANTIES, EXPRESS, IMPLIED, OR STATUTORY, NOT EXPRESSLY SET OUT IN THESE TERMS, INCLUDING THE IMPLIED WARRANTIES OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE AND NON-INFRINGEMENT. IN ADDITION, LUGG MAKES

NO REPRESENTATION, WARRANTY, OR GUARANTEE REGARDING THE RELIABILITY, TIMELINESS,

QUALITY, SUITABILITY, OR AVAILABILITY OF THE SERVICES OR ANY GOODS OR SERVICES OBTAINED THROUGH THE USE OF THE SERVICES, OR THAT THE SERVICES WILL BE

UNINTERRUPTED OR ERROR-FREE. YOU AGREE THAT THE ENTIRE RISK ARISING OUT OF YOUR

USE OF THE SERVICES, AND ANY THIRD PARTY GOOD OR SERVICES OBTAINED IN CONNECTION

THEREWITH, REMAINS SOLELY WITH YOU, TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAW.

THIS DISCLAIMER DOES NOT ALTER YOUR RIGHTS AS A CONSUMER TO THE EXTENT NOT PERMITTED UNDER THE LAW IN THE JURISDICTION OF YOUR PLACE OF RESIDENCE.

LUGG SHALL NOT BE LIABLE TO YOU FOR INDIRECT, INCIDENTAL, SPECIAL, EXEMPLARY, PUNITIVE, OR CONSEQUENTIAL DAMAGES, INCLUDING LOST PROFITS, LOST DATA, PERSONAL

INJURY, OR PROPERTY DAMAGE, EVEN IF LUGG HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. LUGG SHALL NOT BE LIABLE FOR ANY DAMAGES, LIABILITY OR LOSSES INCURRED BY YOU ARISING OUT OF: (i) YOUR USE OF OR RELIANCE ON THE SERVICES OR YOUR INABILITY TO ACCESS OR USE THE SERVICES; OR (ii) ANY TRANSACTION OR RELATIONSHIP BETWEEN YOU AND ANY THIRD PARTY PROVIDER, EVEN IF LUGG HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES. LUGG SHALL NOT BE LIABLE FOR DELAY OR FAILURE IN PERFORMANCE RESULTING FROM CAUSES BEYOND LUGG'S REASONABLE CONTROL. YOU ACKNOWLEDGE THAT THIRD PARTY MOVING PROVIDERS PROVIDING MOVING

SERVICES REQUESTED THROUGH LUGG MAY OFFER PEER-TO-PEER MOVING SERVICES AND MAY

NOT BE PROFESSIONALLY LICENSED OR PERMITTED. IN NO EVENT SHALL LUGG'S TOTAL LIABILITY TO YOU IN CONNECTION WITH THE SERVICES FOR ALL DAMAGES, LOSSES AND CAUSES OF ACTION EXCEED FIVE HUNDRED U.S. DOLLARS (US \$500).

THESE LIMITATIONS DO NOT PURPORT TO LIMIT LIABILITY THAT CANNOT BE EXCLUDED UNDER THE LAW IN THE JURISDICTION OF YOUR PLACE OF RESIDENCE.

You agree to indemnify and hold Lugg and its officers, directors, employees and agents, harmless from any and all claims, demands, losses, liabilities, and expenses (including attorneys' fees), arising out of or in connection with: (i) your use of the Services; (ii) your breach or violation of any of these Terms; (iii) Lugg's use of your User Content; or (iv) your violation of the rights of any third party, including Third Party Providers.

You agree that any dispute, claim or controversy arising out of or relating to these Terms or the breach, termination, enforcement, interpretation or validity thereof or the use of the Services (collectively, "Disputes") will be settled by binding arbitration between you and Lugg, except that each party retains the right to bring an individual action in small claims court and the right to seek injunctive or other equitable relief in a court of competent jurisdiction to prevent the actual or threatened infringement, misappropriation or violation of a party's copyrights, trademarks, trade secrets, patents or other intellectual property rights. You acknowledge and agree that you and Lugg are each waiving the right to a trial by jury or to participate as a plaintiff or class in any purported class action or representative proceeding. Further, unless both you and Lugg otherwise agree in writing, the arbitrator may not consolidate more than one person's claims, and may not otherwise preside over any form of any class or representative proceeding. If this specific paragraph is held unenforceable, then the entirety of this "Dispute Resolution" section will be deemed void. Except as provided in the preceding sentence, this "Dispute Resolution" section will survive any termination of these Terms.

The arbitration will be administered by the American Arbitration Association ("AAA") in accordance with the Commercial Arbitration Rules and the

Supplementary Procedures for Consumer Related Disputes (the "AAA Rules") then in effect, except as modified by this "Dispute Resolution" section. (The AAA Rules are available at

www.adr.org/arb_med

or by calling the AAA at 1-800-778-7879.) The Federal Arbitration Act will govern the interpretation and enforcement of this Section.

ARBITRATION PROCESS

A party who desires to initiate arbitration must provide the other party with a written Demand for Arbitration as specified in the AAA Rules. (The AAA provides a form Demand for Arbitration at

www.adr.org/aaa/ShowPDF?doc=ADRSTG_004175

and a separate form for California residents at

www.adr.org/aaa/ShowPDF?doc=ADRSTG_015822.)

The arbitrator will be either a retired judge or an attorney licensed to practice law in the state of California and will be selected by the parties from the AAA's roster of consumer dispute arbitrators. If the parties are unable to agree upon an arbitrator within seven (7) days of delivery of the Demand for Arbitration, then the AAA will appoint the arbitrator in accordance with the AAA Rules.

Unless you and Lugg otherwise agree, the arbitration will be conducted in the county where you reside. If your claim does not exceed \$10,000, then the arbitration will be conducted solely on the basis of documents you and Lugg submit to the arbitrator, unless you request a hearing or the arbitrator determines that a hearing is necessary. If your claim exceeds \$10,000, your right to a hearing will be determined by the AAA Rules. Subject to the AAA

Rules, the arbitrator will have the discretion to direct a reasonable exchange of information by the parties, consistent with the expedited nature of the arbitration.

The arbitrator will render an award within the time frame specified in the AAA Rules. The arbitrator's decision will include the essential findings and conclusions upon which the arbitrator based the award. Judgment on the arbitration award may be entered in any court having jurisdiction thereof. The arbitrator's award damages must be consistent with the terms of the "Limitation of Liability" section above as to the types and the amounts of damages for which a party may be held liable. The arbitrator may award declaratory or injunctive relief only in favor of the claimant and only to the extent necessary to provide relief warranted by the claimant's individual claim. If you prevail in arbitration you will be entitled to an award of attorneys' fees and expenses, to the extent provided under applicable law. Lugg will not seek, and hereby waives all rights Lugg may have under applicable law to recover attorneys' fees and expenses if Lugg prevails in arbitration.

Your responsibility to pay any AAA filing, administrative and arbitrator fees will be solely as set forth in the AAA Rules. However, if your claim for damages does not exceed \$75,000, Lugg will pay all such fees unless the arbitrator finds that either the substance of your claim or the relief sought in your Demand for Arbitration was frivolous or was brought for an improper purpose (as measured by the standards set forth in Federal Rule of Civil Procedure 11(b)).

Notwithstanding the modification-related provisions above, if Lugg changes this "Dispute Resolution" section after the date you first accepted these Terms (or accepted any subsequent changes to these Terms), you may reject any such change

Website: lugg.com

by providing Lugg written notice of such rejection by mail or hand delivery to: (please email support@lugg.com to obtain the address), or by email from the email address associated with your Account to: support@lugg.com, within 30 days of the date such change became effective, as indicated in the "Last update" date above. In order to be effective, the notice must include your full name and clearly indicate your intent to reject changes to this "Dispute Resolution" section. By rejecting changes, you are agreeing that you will arbitrate any Dispute between you and Lugg in accordance with the provisions of this "Dispute Resolution" section as of the date you first accepted these Terms (or accepted any subsequent changes to these Terms).

These Terms are governed by and construed in accordance with the laws of the State of California, U.S.A., without giving effect to any conflict of law principles.

Claims of copyright infringement should be sent to Lugg's designated agent, please email support@lugg.com for more information.

Lugg may give notice by means of a general notice on the Services, electronic mail to your email address in your Account, or by written communication sent by first class mail or pre-paid post to your address in your Account. Such notice shall be deemed to have been given upon the expiration of 48 hours after mailing or posting (if sent by first class mail or pre-paid post) or 12 hours after sending (if sent by email). You may give notice to Lugg, with such notice deemed given when received by Lugg, at any time by first class mail or pre-paid post. Please email support@lugg.com

to get the address information.

You may not assign these Terms without Lugg's prior written approval. Lugg may assign these Terms without your consent to: (i) a subsidiary or affiliate; (ii) an acquirer of Lugg's equity, business or assets; or (iii) a successor by merger. Any purported assignment in violation of this section shall be void. No joint venture, partnership, employment, or agency relationship exists between you, Lugg or any Third Party Provider as a result of this Agreement or use of the Services. If any provision of these Terms is held to be invalid or unenforceable, such provision shall be struck and the remaining provisions shall be enforced to the fullest extent under law. Our failure to enforce any right or provision in these Terms shall not constitute a waiver of such right or provision unless acknowledged and agreed to by Lugg in writing.

Aaron and Jose are very professional. They took extreme care with our furniture item and worked with us to place extra padding on the floor before placing the item in its location.

They came early. They even came around a different way when blocked by other moving trucks. Super polite and friendly. Very professional. I would use them every time. Thanks so much!

Alonso & Denmark were great! Super efficient but still made sure to take great care of the items. Alonso also made some great suggestions on placement/securing “next steps” of the furniture once we got to my place -
11/10

They were amazing! Cleaned up after themselves and even took the nails off my couch to ensure nothing got messed up.

Aaron and Jose are very professional. They took extreme care with our furniture item and worked with us to place extra padding on the floor before placing the item in its location.

They came early. They even came around a different way when blocked by other moving trucks. Super polite and friendly. Very professional. I would use them every time. Thanks so much!

Curtly and Michael were amazing! When the table they moved for me wouldn't fit through my doorway, they didn't give up and took the time to carefully figure out how to take apart the complicated piece of furniture to make it work. And on top of that, they were nice and friendly. Highly recommend them!

Freddy and Jose were friendly and courteous. Kept me in the loop at all times. I had a wonderful experience with them.

Richard and Eric are extremely professional — they double checked to confirm exactly what was needed, then carried it out quickly, efficiently and with care to not damage anything. They stacked our boxes neatly and assembled a large shelf unit — all at a lower price than expected. I would highly recommend this service and these men!

Downloaded app while in a Costco to set up a couch pickup and delivery. Submitted the request on a Friday

for the following Tuesday. App gives you day and 1 hour time frame choice. Chose Tuesday from 4-5pm. Received a text message the day of stating luggers will be heading out to pick up some time between 4-5. Pick up from 4-5? Who cares what time they pick up. It's a Costco, I only care about what time they will arrive! Very vague with their wording. And the pickup time really does me no good if I'm trying to coordinate what time to be at the destination address. In this case if they arrive at Costco at 5pm they will hit traffic and I have no idea when they will arrive. Here's the problem: the luggers called and said they had just received the order a couple hours ago. They were coming back from the Bay Area and would not be to the pickup location until 6 or 6:30. So my initial time frame was not even close to accurate. They ended up delivering about 7pm. Which means I lost 3 hours of time waiting for moving due to this app's inability to communicate effectively. This app is horrible and a waste of time. I would have been much better off just being someone off CL with a truck. Don't use this App

Hello ghett3! We're very sorry to hear about your experience and any confusion you may have had using the app. Please reach out to our Support Team at support@lugg.com where we'd be happy to clear anything up for you. Hope to hear from you soon!

One word BAD. I worked with this company for a short period and my honest opinion is they lack professionals from customer service all the way down the totem pole to the laborers. You're better off renting a truck and or van to move your own items with the help of a friend or relative if you don't have either you're still better off doing it yourself cause no one on this platform is a professional coming from a true professional who worked on this app as a helper you have to be a dispatcher, customer service rep, laborer, several different other categories of management. you would not get any help from Customer Service and then in the likelihood of damages you would be charged with no proof or debating claims you can drop off an item and a customer can damage it and you will be charged point-blank. No discussion no investigation.. Believe me I've tried. I've even went a step further and equipped, myself with a body camera to have footage of these moves. Booked by Lugg and let me tell you bad bad bad unprofessional from beginning to end and I have the proof my profile will show you. I have over 100 moves, but one bad review due to Lugg telling

individuals that we can do the impossible. Once again, I have proof screenshots of messages videos email sent. to Customer Service and let me tell you they do not care so donât waste your time working or booking any moves to this company trash

I use Lugg at least twice a month for moving furniture. Very convenient and flexible scheduling. Guys mostly are in good spirits. About half are good at loading a truck, half arenât. This is ok even though about 30% of the time something gets slightly damaged (scratched or dinged). The convenience is worth it to me. My biggest complaint is that lately, the Lugg XL has been inconsistent. XL should not be a van, even an oversized van. That simply doesnât hold enough stuff. XL should only be a box truck. Also, the last two times there were issues with being notified properly. One time the guys called and said theyâd be there at 2:30, but my window was 3-4pm. I wasnât at the location and they said if I couldnât meet them now, theyâd have to cancel. Then yesterday I did not get notified that the guys were on their way, which I always do. Just customer service things like this have faltered lately. Hopefully itâs just an anomaly.

Curtly and Michael were amazing! When the table they moved for me wouldn't fit through my doorway, they didn't give up and took the time to carefully figure out how to take apart the complicated piece of furniture to make it work. And on top of that, they were nice and friendly. Highly recommend them!

Kept my new desk SO SAFE under wrapping and blankets, efficiently moved it from their vehicle on the street to the exact spot I wanted it in my home without ANY problems whatsoever. They were here for such a quick blip it was the easiest thing EVER. Very appreciated. Excellent work.

We originally hired a different Lugg team to do the job - they ran into some issues with completing the job but were not able to problem solve enough to finish it. Arturo and Andy were able to complete the job efficiently and very well. They were very thorough, courteous, and even asked if we needed any other things done/moved. We appreciated their commitment to getting the job done and had a wonderful experience!

It was a fantastic moving experience. Couch was big and since it was assembled it became really tough to get it inside apartment door. But both were patient and kind enough to try multiple times and finally get it inside apartment.

Thanks for your hardwork.

Very professional. Arrived on time. Had packing supplies. Did not cause any damage to door etc. Took my couch to the dump.

Aaron and Jose are very professional. They took extreme care with our furniture item and worked with us to place extra padding on the floor before placing the item in its location.

They came early. They even came around a different way when blocked by other moving trucks. Super polite and friendly. Very professional. I would use them every time. Thanks so much!

Aaron and Jose are very professional. They took extreme care with our furniture item and worked with us to place extra padding on the floor before placing the item in its location.

They came early. They even came around a different way when blocked by other moving trucks. Super polite and friendly. Very professional. I would use them every time. Thanks so much!

Curtly and Michael were amazing! When the table they moved for me wouldn't fit through my doorway, they didn't give up and took the time to carefully figure out how to take apart the complicated piece of furniture to make it work. And on top of that, they were nice and friendly. Highly recommend them!

Daniel E. and William are experts, got a heavy loveseat recliner from NoVa to MD and out of a house with many steps. Wrapped all pieces and handled with care. Thank you!

It was a fantastic moving experience. Couch was big and since it was assembled it became really tough to get it inside apartment door. But both were patient and kind enough to try multiple times and finally get it inside apartment.

Thanks for your hardwork.

Very professional. Arrived on time. Had packing supplies. Did not cause any damage to door etc. Took my couch to the dump.

I had a fantastic experience working with this father and son furniture team. Their craftsmanship is top-notch, and they took the time to ensure every detail was perfect. Their professionalism and friendly service made the entire process smooth and enjoyable!

They unboxed everything and installed it perfectly, put wheels and handles on my tool box. Great job!

Alonso & Denmark were great! Super efficient but still made sure to take great care of the items. Alonso also made some great suggestions on placement/securing “next steps” of the furniture once we got to my place -

They were amazing! Cleaned up after themselves and even took the nails off my couch to ensure nothing got messed up.

My first experience with Lugg and both were fantastic. Both gentlemen were professional, kind and efficient.

Glad to hear about this app.

These guys did an amazing job. Were able to pack everything I needed and safely transport it to the new house. Were very kind to place all of the furniture I needed in its correct spot, including bringing things up a narrow staircase. Truly 10/10 job

Very friendly and extremely helpful workers. My bed frame would not fit in the elevator so they disassembled the bed partially and reassembled it with no problems. Very quick workers. It was all done in 1.5 hours. I

didn't have to lift a finger. I have a bad back and the workers really saved me from having to deal with that during a move.

Thank you for sharing your experience! We're so glad our team could make your move seamless, especially with the extra care in disassembling and reassembling your bed frame. It's wonderful to hear they were able to take the weight off—literally! We're here whenever you need us again, and we're thrilled to have made your move easier. Take care of that back, and thank you for choosing Lugg!

Ours guys arrived so fast- within 30 min of the call. Very happy and nice upon meeting, didn't feel rushed when we had to talk about a detour plan due to road closures. Delivery was smooth, they knew what they were doing. Would definitely recommend.

It's great to know they were accommodating and knowledgeable throughout the process. Your recommendation means a lot to us, and we look forward to assisting you again in the future!

First time using Lugg and had a great experience. Movers were very pleasant and polite. I was notified when they were an hour away. They arrived 10 minutes before my scheduled window and started right to work. They were timely and efficient. They carefully moved a large piece of furniture out of one house and into the next. I would definitely use Lugg again.

The two Luggers we used were great -- fast, efficient, careful, and extremely courteous. Communications with Lugg central could have been a little better, but everything with our small move went just fine. And the price was much better than I had anticipated.

So impressed with the 2 movers that helped filling the XL van to the brim, with their skill and care, and how easy to use app to schedule for just a couple days out, and easy payment/tip via app so no cash on hand needed. Thx, will use again!

Erick picked up items for me in Boston and delivered them to the hospital my nephew is in. We live in South Carolina and so couldn't do this ourselves. He made sure to write my nephew's name and room number on the birthday gifts. He went above and beyond. Was very kind and thoughtful.

Awesome experience - fast service and both workers were polite and efficient. They asked great questions before starting and followed everything exactly. They even showed us a few tricks on how to place the furniture when we need to move it. We will definitely use Lugg again!

I appreciated the customer service when trying to book the right kind of moving truck. I was uncertain about how it was all going to go since I had to get the app and chat instead of talk to someone on the phone, but they answered pretty quickly and worked with me to resolve my issues very quickly and nicely and it was much appreciated. The drivers did a very good job and didn't get buggy by my making sure they were careful with some unique and breakable items.

Michael M and William — the best! Communicated the whole way when picking up my Facebook marketplace order, sent photos of the dresser and mirror all packed up and strapped in, and were just extra helpful and friendly (including to our dog) when they got here — made my day! Will try to hire these two again :-).

THE WORST EVER. Booked luggers to move a bed. Received email confirmation and then text confirmation on the day saying they would be there at the agreed time. Nobody ever showed up. There is no number to call or person to contact. No response to email. They screwed my day and I would never use them again.

Arranged for a table and chairs to be moved out of our apartment. The mover who came was helpful and professional. Pathetic customer service!Requested a size change within minutes of ordering and didn't hear back for 3 days at which time I was told it was too late to change (obviously) it. I was advised that instead I could return the item for a new size as soon as it arrived. Weeks later after at least 5 emails back and forth I received the required return labels. I wanted confirmation they would honour my purchase price and 11/2 weeks later at least 3 emails I received the reply they would not honour my purchase price. NOT IMPRESSED have been a loyal gold star customer for years but I will not order from them in the future.

Hi Jacqueline Elizabeth,It seems there might be a misunderstanding regarding the nature of our business. Lugg is a moving and delivery service, specializing in helping customers transport items from one location to another. We do not sell products or handle product returns or exchanges, which suggests the issue you've described pertains to a different company.We understand how disappointing it can be not to receive the level of service you expect, especially when it comes to changing or returning a purchase. However, given that we operate in the moving and delivery sector, it appears your review may have been intended for a retailer or an e-commerce platform.Despite this mix-up, we're here to assist in any way we can. If you have any moving or delivery needs, or if there's anything else we might help you with related to our services, please don't hesitate to reach out to us at support@lugg.com. Our team is dedicated to providing excellent customer service and addressing any concerns you might have.Best,Team Lugg

Our Luggers were right on time, polite, efficient, and treated our very heavy and valuable furniture with care. There wasn't a scratch to be found once our cabinet reached it's destination. We were surprised to find that our Luggers had to travel all the way to Forestville from Richmond (over an hour away). Though we didn't have to pay for their travel time, I would urge Lugg to extend their network to the North Bay so that workers aren't

having to travel all that way and spend all that gas and mileage. Otherwise, great service. Would hire again.

Alonso & Denmark were great! Super efficient but still made sure to take great care of the items. Alonso also made some great suggestions on placement/securing "next steps" of the furniture once we got to my place -

Aaron and Jose are very professional. They took extreme care with our furniture item and worked with us to place extra padding on the floor before placing the item in its location.

They came early. They even came around a different way when blocked by other moving trucks. Super polite and friendly. Very professional. I would use them every time. Thanks so much!

Curtly and Michael were amazing! When the table they moved for me wouldn't fit through my doorway, they didn't give up and took the time to carefully figure out how to take apart the complicated piece of furniture to make it work. And on top of that, they were nice and friendly. Highly recommend them!

This was a heavy and complicated process to get my new table in the house the in the kitchen. They did a great job. Smoth process and on time

It's been a long month of moving and I just didn't have it in me to do anymore. They were friendly and affectionate. I don't think I laughed that hard in days. They really made my day and saved my back.

Alonso & Denmark were great! Super efficient but still made sure to take great care of the items. Alonso also made some great suggestions on placement/securing "next steps" of the furniture once we got to my place -
11/10

They were amazing! Cleaned up after themselves and even took the nails off my couch to ensure nothing got messed up.

Aaron and Jose are very professional. They took extreme care with our furniture item and worked with us to place extra padding on the floor before placing the item in its location.

They came early. They even came around a different way when blocked by other moving trucks. Super polite and friendly. Very professional. I would use them every time. Thanks so much!
