Eden Movers was established in 2021 by Jaco Nieuwoudt. The company previously known as U Shop, We Drop, was established in 2015 by Werner Neuhoff moving small loads with a pick-up and a trailer in Mossel Bay. Jaco Nieuwoudt identified this company's potential because of the good service it has become known for and bought 100% ownership in December 2021. U Shop, We Drop expanded over the years to 2 trucks and trailers servicing clients on the Garden Route with a daily delivery contract with Game Mossel Bay. In January 2022 Jaco rented a truck from a sister company to expand the fleet and service level to the George community. He employed a dedicated Person to book deliveries in the ever-ongoing drive to customer service excellence.
